

PERSIA COLLAGE

Assignment: Create a collage that represents one of the PERSIA elements.

The collage must include

- Text that identifies the topic.
- A variety of images (at least 20) that are relevant to the topic.
- Images may come from the internet or any print source.
 - Images must be physically cut out and arranged into the collage (that means glued onto the construction paper, not just printed as one sheet.)
- On the BACK of the collage, ten of the most important images must be listed along with an explanation of how each connects to the topic.
- Collages will be graded on how well they portray the topic, visual appeal (must be colorful, interesting images), and quality (neatness).
