

Name: _____

PERIOD 1

Stranded: Group Presentations

As groups present, record information for each section below. Bullet points are OK. Add a ✓ to indicate repeated ideas.

Major problems faced by the group: Shelter, fire for cooking/light/warmth ✓✓ Fighting over resources ✓ Staying unified
Group decision for first actions: Start a fire Food, water ✓✓ Explore island/find resources ✓ Divide jobs
Decision for how group will be organized: Vote for main leader ✓ people can form smaller groups Some people can help the leader (elected) Stay in one large group ✓✓✓ Council of leaders
Qualities of most likely leader(s): Older ✓✓ Mature Loyalty Responsible Selfless Creative Confident Smart Brave Capable
Anticipated types of conflict among individuals in the group: Choosing a leader ✓ Sharing resources ✓✓ Deciding who dies Physical conflict (war) Mental issues (depression, insanity, insomnia...) People refusing to work ✓ Decision making

How potential problems might be solved:
Leader will solve problems
Punishment ✓✓ (more work ✓, kill them ✓)
Through togetherness
Impose fines
No work = no food
Vote
Threats Separate weak. Unruly

How **order** will be established and maintained (enforced):
Some people's job is to enforce rules/decision
Use force
Put people in isolation
Leader establishes rules
Enforce the rules- everyone's job ✓
Teach self defense
Kill the useless (and eat them if needed)

How the **health and safety** of group members will be established and maintained (protected):
Health jobs
Job to protect (designated people)
Caring for sick is priority
Self-defense
Keep things equal (work, breaks, etc.)
Kill the sick

Ticket Out the Door: Answer the questions below based on the groups' ideas. Use complete sentences. Provide details from the class discussion.

What is man's relationship to society and rules? (Do we need other people to survive?
Do we need to have rules and someone to enforce them?)
