

1st quarter Historical Book Requirement

Each quarter you will be required to read one AR book that fits a topic we are covering in social studies. You may read either historical fiction or historical non-fiction as long as it relates to the time period being covered that quarter. This quarter you should be reading books that cover any time period we will discuss this semester which are the following: **Geography, branches of government, the Bill of Rights, causes of the Civil War, Civil War, or Reconstruction** (time period after the Civil War) If you need help finding a book that meets this requirement, check the displays in the library.

Once you have taken the AR test for your historical book, **print the TOPS report and turn it in to earn credit for this assignment.**

In addition to the TOPS report, you need to respond to the book reflection form (back side) in order to earn full credit. Please fill out the form with your name on it and staple it to the back of your TOPS report. Note: Additional book reflection forms are found in the folder close to the door.

***Note:** This assignment will be worth **20 points** (TOPS report submitted = 15 points and book response form = 5 points) toward your social studies quarter grade and will be **due by Monday September 24th.**

****Please turn the assignment in whenever you are done with it.** You do not need to wait until Sept. 24th to turn in.

*****If you do not pass your AR quiz- you must also completely fill out a makeup form (which will be in a folder on the wall) in order to receive full credit.**
