

## Industrialization and immigration

### Study guide

Directions: For each key vocabulary word on the left side, please respond on the right side with how that term impacted the time or why it was important. You do not need a long sentence, just a small phrase. The page #'s in parentheses are where in your composition book you should be able to find that term. Our test will be next Monday February 11<sup>th</sup>. We will review in class, but you want to be sure to look over your notes and are very familiar with them prior to your test. You may use your composition book on the test; the test questions will be asking you to apply your knowledge of the concepts.
