

Brainstorming

- Below your 13th- 15th Amendment notes, please draw some sort of a brainstorming organizer.
- Think about what effects these new rights will have upon the life of a freed slave.
- For each Amendment, please provide 5 impacts that it would have
- For example- the 13th Amendment would give former slaves the ability to spend their time as they want, 14th Amendment- a feeling of self-worth, 15th Amendment- right to elect new leaders
- Do this with your shoulder partner or group of 3.
