

Cause and effect assignment

- 
- Fill in the titles of these 4 causes (Note: They correspond to each section we already labeled) :
 - 1. Proclamation of 1763
 - 2. Taxation without representation
 - 3. The Stamp Act
 - 4. Boycott of British goods

- Directions:
- 1. Read through the text with your partner. Highlight any small phrases that help you understand what the cause is about
- 2. Complete the organizer for the first 4 causes of the War.
 - a. After each cause, please write a short explanation/definition of that event. (example given)
 - b. Then, write the effect that came from that on the other side **(Note:** Do not just say, “It made the colonists angry.” Why were they upset? What happened as a result? Did the colonists respond by taking action?

Cause and effect example

- Cause: Proclamation of 1763: colonists not allowed to move west of the Appalachian Mountains.
- Effect: Colonists were very frustrated; many ignored the law and moved anyway.
