

## Dialectical journal of 2<sup>nd</sup> Industrial Revolution

Directions: Please choose 4 quotes from the text, "The 2<sup>nd</sup> Industrial Revolution and its effect on the United States." Then, create a strong 3 sentence response to each quote. Some ideas for your responses include some sentence starters on the back side of this handout. However, you do not have to follow those exact ideas. They are just suggestions. If you have another way to say it, please do so. **\*\*Important note:** Please vary up your responses. In other words, don't choose the same type of response for each one. Use creativity.
