

U.S. involvement in the world

1. Was it moral or immoral for the U.S. to be involved with other countries in the late 19th/early 20th century? Explain.
2. What should be the role of the U.S. in the world today? (a police officer, EMT, judge, or other). Explain your reasoning.
3. How is the U.S. viewed by other countries today? (For example, in a positive or negative perspective?) Explain why.
