

Project notes

- If you are not done, please fold your poster in half to take home.
- You may use any magazines at home to cut out photos that apply to the 5 themes, or you may print photos from online.
- Note: If you do not have a printer, please e-mail me your photos in a Word document so that I can print out. Make sure to put your name on the document as well.
- I will also be in my room at lunch on Tuesday and Wednesday and in my room early Tuesday and Wednesday mornings if you want to stop by to work on the project with the magazines or use the computers. Tutoring on Wednesday is another option as well. Thanks!
- If none of those options works for you, please let me know, so I can make some other option work for you.
