

How does the 1st Amendment affect life?

Directions: For each part of the 1st Amendment, write **at least 2 sentences** that describes how American life would be different (either right now or in the future) without it. Be specific in your responses!

Example- Life would be different without the freedom of speech because everyone would have to share only what the government would approve of. There could be no dissent or disagreement of thought.

Freedom of religion: Life would be different without the freedom of religion because _____

Freedom of speech: Life would be different without the freedom of speech because _____

Freedom of the press: Life would be different without the freedom of the press because _____

Freedom of assembly: Life would be different without the freedom of assembly because _____

Freedom of petition: Life would be different without the freedom of petition because _____
