Choose one of the prompts below to respond to, **providing at least a strong 3 sentence response**, with good detail. Use whatever information you can from the video as well as your own opinions and thoughts on this issue.

Prompt #1: One of NATO's principles is "Article 5, which states, an attack on one member is an attack on all NATO allies." Since member countries are supposed to come to the aid of another if they are attacked, should the U.S. be a part of this organization or not? Why?

My response:

Prompt #2: How should we go about continuing to use robots in the workplace, but yet make sure that people still have jobs? What are some ideas you have regarding this?
