

## North versus South

### Key terms

1. \_\_\_\_\_ - the farming of land and raising crops
2. \_\_\_\_\_ - a focus on the manufacturing and production of goods and products
3. \_\_\_\_\_ - the loyalty that North and South felt to their own section (part) instead of the country as a whole.
4. \_\_\_\_\_ - a tax put on imported goods
5. \_\_\_\_\_ - to declare something void or no good.
6. \_\_\_\_\_ - the idea that states can limit the power of the federal government and disobey a law if they disagree with it.
