

Our Community Agreements

- **Respect-** We will respect one another. We may and will differ in our opinions many times but we will always seek to understand the other person and disagree in a kind, respectful manner.
- **Responsibility-** We will demonstrate responsibility in all aspects of our time together. We will be responsible to turn in work on time, to keep our community clean, and to follow through on group tasks.
- **Readiness-** We will come to class ready to learn from and teach others. We will give 110% each day, coming prepared to give our very best!
