Student Responsibilities

-Bring math notebook and homework to every strategies class.

Late work

Students who have excused absences have at least one day every day they are absent to make up the work they missed. Excessive absences can result in the loss of a credit for the course.

Assessments and Assignments

Students will complete assessments during each unit of study to assess their understanding. Students will complete the CUSD Common Final at the end of the first and second semesters. The Common Final will count for 20% of the student's final semester grade in grades 9-12 and 10% in grades 7-8 (some exceptions may apply at the Junior High level). Common finals will be in ELA, Math, Science, Social Science, and World Language.

Final exams will be given during the CUSD Jr High/High School Early Dismissal days in December and May, as identified on the [District Calendar](#).

If students are requested to participate in a survey, the survey questions will be provided to parents/guardians seven days before student contact.

Quarter grades

This is an elective class so you will earn a grade in this class based on your participation and completion of assignments.

-All grades are based on the number of points possible for any given assignment. A student's total grade for any marking period is based on the total number of points a student received divided by the total number of points possible, which will result in a percentage grade. Students will be given a semester final at the end of each semester.

Semester grades

Semester grades are calculated using 40/40/20: Each quarter accounts for 40% of the semester grade and the final exam accounts for the remaining 20%.
