## STUDENT RESPONSIBILITIES

1. Respecting the rights of others: Students have a right to an education without interference from others.
2. Attending school: Students have a responsibility to attend school daily and to be on time.
3. Completing work assignments: Students are responsible for completing all class work and homework on time. It is the students' responsibility to get homework or make-up work for absences.
4. Being prepared for class: Students have a responsibility to bring to class any necessary books and materials that may be required to actively participate in class assignments and/or activities.
5. Respecting public property: Students have a responsibility to respect and to protect all school property, materials and equipment.
6. Showing respect: Students have a responsibility to demonstrate respect for other students, faculty, staff, community members and themselves.
7. Obeying school rules: Students have a responsibility to know and to obey rules and regulations in order to provide a safe and positive learning environment.
8. Cooperate with School Staff: Students have a responsibility to cooperate with school staff, authorities, and peers.

## CLOSED CAMPUS

- A. Students: Students are to remain on campus from the time of arrival in the morning until after their last class of the day. If a student is off-campus without permission, this is an off-campus violation and may result in a suspension.
- B. Non-students: For reasons of security, only those officially enrolled as students are permitted on campus during the school day. Parents and others wishing to conduct official business must report first to the administrative offices. All others may be deemed as trespassers and are subject to arrest (ARS Title 13).

## FIRE ALARMS/EVACUATIONS

When the FIRE ALARM sounds, students should evacuate the building in an orderly, quiet manner and follow the instructions of those in charge. Students should not stand on paved areas where emergency vehicles may need to pass.

Students reporting and/or creating false fire alarms will be subject to disciplinary action from administration.

## ASSEMBLY CONDUCT

Students must sit in the section provided for their class. Students who do not conduct themselves properly may be removed from assemblies and banned from future participation.

## ATTENDANCE

High School administration, faculty and staff encourage students to be at school on time every day. Student attendance closely matches student academic achievement.

Students who are absent from school miss the introduction of new material, interactions with peers in discussions, activities and presentations. The attendance policy is intended to involve parents, to teach students responsibility and to provide for optimum instruction and academic accountability. Administration may require medical documentation for excessive or habitual absences.

#### Tardies

Students are expected to be in their classrooms ready to begin class work prior to the late bell. A one-minute warning bell signals the students to get to class quickly. Teachers will assign consequences to students and contact parents for the first three tardies to class. On the fourth tardy, the teacher will write a referral to the appropriate administrator.

#### Absences

Absences can be defined as excused or unexcused.

### EXCUSED ABSENCES

A parent or legal guardian must call the attendance office at (480) 224-2103 within 24 hours of the absence to officially excuse students from school or particular periods of classes during the day. When a parent brings or picks up a student, he/she must be signed in/out at the attendance office. No student will be permitted to leave campus without a pass from attendance.

### UNEXCUSED ABSENCES

Unexcused absences are considered truancies. Unexcused absences will be considered as ditching and the student will be referred to administration.

Consequences for Absences: The following actions will be taken after 10 absences per semester and after 10 consecutive absences.

#### A. Ten Absences

After 10 class period absences per semester, the student will receive a referral to administration. The student may be dropped from the class with an "F".

#### B. Ten Consecutive Absences

After 10 consecutive days of absences per semester, the state requires schools to automatically withdraw the student.

### SIGN OUT POLICY

Students are not permitted to leave school without permission.

Parent/guardian must show picture ID in order to pick up a student. Anyone other than the parent/guardian on campus to pick up a student must be listed on emergency information.

## EXTRA-CURRICULAR PARTICIPATION POLICY

Students are expected to be in school. Students who are involved in extra-curricular activities are expected to attend all classes.

## MAKE UP WORK

Students are responsible for making arrangements with their teachers to complete make-up work for excused absences. Students will be given at least the same amount of time after returning as the class periods absent from class (for example, allow two class periods to complete make-up work for two class periods of absences). Extensions are at teacher discretion.

## STUDENT PARKING

In an effort to better serve the students of Basha High School, CUSD constructed a 640 space parking facility. The parking fee is \$80.00 per year. Applications may be picked up in the main office, filled out and submitted back to the bookstore with \$80.00, proof of insurance and current driver's license to obtain a parking assignment. REMINDER: The campus speed limit is 15 MPH.

### RULES REGARDING STUDENT DRIVING AND USE OF PARKING FACILITIES

Students are permitted to park on school premises as a matter of privilege, not of right, and may have that privilege revoked at any time. Before applying for a parking permit, all outstanding student fees must be paid.

### PARKING PERMIT RULES

- LOSS OF PARKING PRIVILEGES MAY INCLUDE, BUT ARE NOT LIMITED TO, THE FOLLOWING: Leaving campus without approval, reckless driving, transporting alcohol, illegal substances, dangerous weapons, failure to drive courteously, failure to provide adequate seating for passengers, failure to respond to school authorities, and transporting students who are not permitted to leave campus.
- Students may enter the parking lot at either the east or west entrance before 7:25 a.m. Students must have their parking decal visible to the security guard stationed there. After 7:25 a.m. only the east entrance to the student parking lot (Black Hills Drive) will be open.
- If students are leaving campus before 2:14 p.m., they will only be able to leave from the east exit. Students will have to show security their school ID and a pass that excuses them from school early.
- Suspension of parking privileges, booting of vehicles and/or suspension from school may occur when violations of parking/driving regulations occur.
  - 1<sup>st</sup> offense – conference to loss of privileges
  - 2<sup>nd</sup> offense – loss of parking for possible remainder of the year
- Students must have their parking permits displayed at all times or be subject to vehicle “booting.” Parking hangers must be displayed on the rear view mirror. Park at your own risk. Basha High School is not responsible for vehicular damage, theft, loss of property or expenses/damages from “booting.”

## LIBRARY

Chandler Public Library – Basha is a branch of the Chandler Public Library system and is located on the campus of Basha High School. It is a shared-use facility that serves as a public library and a high school library combined. Students are encouraged to get a library card. A replacement card costs \$2.00.

All books, instructional DVDs and audio CDs may be checked out for up to 3 weeks. Popular Picks (new books) and feature films (fiction DVDs) may be checked out for up to one week. Items may be renewed twice if not on hold except Popular Picks. There is a limit of 5 feature film DVD checkouts and 10 music CDs.

Overdue fines are \$0.20 per day per item except feature film DVDs and Popular Picks. The fines for feature film DVDs and Popular Picks are \$1.00 per day per item. A \$1.00 fee is charged for holds that are not picked up within 5 days. A cardholder is limited to a maximum of 5 holds at a time.

## LIBRARY CONDUCT & USAGE

Students are expected to follow the rules and procedures of the Chandler Public Library, BHS, and CUSD. In addition, they are expected to respect the public and others, work on school related assignments, enter, exit, and work quietly, use appropriate language, and behave appropriately. Students will be returned to class and/or sent/escorted to the Principal's office for disruptive and/or inappropriate behavior.

Students must enter/exit through the West doors during the hours they are open. The West doors are unlocked at 7:15 am (when school is in session M-F). However, they are locked during conference time and from 2:15 pm to close. Students must use the East entrance when the West entrance is locked.

Students should put away food and/or candy PRIOR to entering the facility. Bottled water and other school appropriate lidded beverages are ok. Soda cans or other types of open container beverages are not allowed.

Students may be sent during class time; however, they must have a school pass from their teacher. There is a limit of no more than five students per class per hour provided availability. Students may be returned to the classroom to obtain a pass if they arrive without one.

Students may use the library during their lunch hour; however, they may not eat their lunch in the facility. Students, parents and/or guardians need to be aware that library computers do not have the same filtering capabilities as school computers. It is the teacher's responsibility to manage their classes and monitor student use.

Cell phones and other mobile devices should not be audible to others.

#### LIBRARY COPIER/PRINTER

The library offers copying and printing services. Students must bring money to print and/or copy items. Please be aware we are not always able to provide change for large dollar bills. Copier/printer costs are as follows:

8.5 x 11" black-and-white copy or print \$0.20

8.5 x 11" color print only \$1.00

Students may also save items to a flash drive and print documents at home. We recommend that students always carry a flash drive with them to backup and save documents.

#### LIBRARY PARKING LOT

Students and school staff are not allowed to park in the South/East parking lot designated for library parking during regular school hours. This allows the community to access the facility throughout the day.

#### CLUBS AND ORGANIZATIONS

Basha High School offers a variety of Curricular and Non-Curricular clubs. At the beginning of each school year, teachers present current club offerings to students. Students who are interested in developing a new club offering must find a teacher to sponsor the club and then complete paperwork that administration will review for final approval before club meetings may begin.

#### ACADEMIC AWARDS

Students who have maintained a cumulative weighted 4.0 GPA at the end of the 1st, 3rd, 5th, and 7th semesters will be recognized at an awards ceremony in April/May.

#### BOOKSTORE

for the convenience of all students the school operates the bookstore. The store will be open on school days from before school, during all lunches and after school until 3pm. Students are not allowed to go to the bookstore during class time.

## CHANGE OF ADDRESS AND TELEPHONE NUMBER

It is very important that all students notify the registrar immediately of any change of address or telephone number at (480) 224-2131.

## DISTRIBUTION OF MATERIALS

Information (announcements, pamphlets, newsletters, memos, etc.) may not be distributed to other students or staff on campus without prior authorization from administration.

## DRESS CODE CONSEQUENCES

Administration may opt to invoke 5 days of Lunch Detention or assign the student to Saturday School as a consequence.

First Offense: Student will be sent to their administrator. Clothing will be issued to remedy the violation. The violation will be logged.

Second Offense: Student will be sent to their administrator. The administrator will call home and clothing will be issued to remedy the violation. Violation will be logged.

Third Offense: Student will be sent to their administrator. The administrator will call home. Clothing will be issued to remedy the violation. Consequences will be issued.

## FOOD, GUM AND DRINKS

No food or drinks (except water) are permitted outside of the food court. Chewing gum on campus is a privilege. If discarded gum becomes a concern, gum will not be permitted on campus (Principal Discretion).

## HALL PASSES

Students are expected to remain in class during the entire instructional period. Leaving class should be an extremely rare occurrence. When a student receives permission from a teacher to leave the class, he/she must be sure to obtain a pass from the teacher and be prepared to show this pass whenever requested by anyone in authority. A student with no pass will be considered to be out of class without permission. This may result in a disciplinary action.

#### HATS

Hats in their original, unaltered condition will be the only acceptable headwear allowed at school. Hats should be worn forward or backward. Hairnets, do-rags, and bandanas, etc., are not to be worn at school. A student shall remove his/her hat when requested by a member of the administration, faculty or staff.

#### LOST AND FOUND

Loss or theft of any item should be reported to security immediately. Any found item should be taken to the administration complex. Students should check in Attendance Office if they have lost anything.

Students are not permitted to be in the various classroom wings during any of the lunch hours without a pass and are not allowed to enter the classroom wings until the bell has signaled the end of the lunch period.

#### SCHOOL NURSE AND ILLNESS

Nurse services are provided for emergency care and as a health consultant and resource person for the students and family. Prescribed medications may be administered with written permission from parent and physician. Over-the-counter medication may be administered by the nurse with written permission from the parent only during the hours of 9:00am-1:00pm. If a student becomes ill, they must obtain a pass from the classroom teacher to go to the nurse's office (unless a life-threatening situation exists). If a student must go home, the parent/guardian must sign the student out in the nurse's office. Students may not make arrangements to leave campus using a phone conversation.

#### SIGNS AND POSTERS

Organizations or persons desiring to display posters must have authorization by the assistant principal. All posters, decorations and tape must be removed by 6:00 a.m. the school day following the activity. Publicity for election campaigning must follow the rules of good taste. Posters can only be placed in designated areas.

#### TELEPHONES

The office and teacher telephones are business phones and are **NOT AVAILABLE FOR PERSONAL CALLS**. Students may use the **OFFICE PHONE ONLY** for calls that are of emergency in nature. Students will not be called out of class to answer the phone except for emergency calls from parents.

## WITHDRAWAL FROM SCHOOL

The faculty and administration encourage all students to remain in school. Students who are having problems are advised to see their counselor, teacher or principal for guidance. If a student is withdrawing, the following steps must be taken:

1. Complete forms obtained from registrar's office.
2. Get withdrawal slip signed by teachers, nurse, librarian and bookstore clerk.
3. Return the form to registrar's office.

**NO RECORDS WILL BE TRANSFERRED UNTIL ALL DEBTS ARE PAID  
AND ALL BOOKS RETURNED.**

### **STUDENT I.D. CARDS**

All students are required to have their photo ID card issued by the high school they are attending in their possession at all times while on campus, and students must present it at the request of any faculty or staff member. The ID must be visible, legible, and in its original condition. Students who fail to comply will be subject to disciplinary action. ## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT (FERPA)**

### **Notice for Directory Information**

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that Chandler Unified School District (CUSD), with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, CUSD may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow CUSD to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.

If you do not want CUSD to disclose directory information from your child's education records without your prior written consent, you must notify the District in writing within two weeks of the start of school. CUSD has designated the following information as directory information:

<b>-Student's name</b>	<b>-Participation in officially</b>

Grades are reported every 4-1/2 weeks either through progress reports or report cards. If a student receives a failing grade, he or she will be declared ineligible on the day following issuance of report cards or progress reports. If a student is ineligible, the student must attend study hall every school day within one week, usually five (Monday through Friday). The student must pass the class(es) on the Friday of the week study hall is served. The student will gain eligibility on the following Monday only.

#### **INELIGIBILITY/REMEDATION**

Students have the opportunity to remediate the deficiency resulting in ineligibility for all grades except cumulative final semester grades. An administrator will assign the student who has failed at the 4 ½ or 9 week periods to tutorial study hall and monitor the student attendance and grades. The student will stay in the drug testing pool for the entire academic year, even if his or her sport or activity ends prior to that time.

There are no academic consequences for a positive drug or alcohol test, however, a positive drug test will result in increasing loss of eligibility for AIA-Eligible sports or activities. These consequences are cumulative for the entire time a student participates in AIA-Eligible sports and/or activities, which could be four years.

#### **ALTERNATIVE SCHOOL ASSIGNMENT**

Under Arizona law (A.R.S. 15-841 E and F) a school district may reassign a student to an alternative education program if the student refuses to comply with school rules, refuses to pursue the required course of study, or refuses to submit to the authority of teachers, administrators or the Governing Board. A student can also be reassigned if he/she threatens an educational institution as defined in A.R.S. 13-2911.

**MANDATORY REPORTING OF CRIMINAL ACTIVITY TO  
LAW ENFORCEMENT**

Arizona State Statutes (ARS 13-3620) require schools and school employees to report criminal activity to local law enforcement. Schools are also required to report incidences of child abuse, neglect, and crimes against children to local law enforcement and department of child safety services.

Recent changes in the law require schools to report threats, or rumors of threats, made against schools, students and school personnel. Schools must also report all incidents of non-accidental injuries that might occur during altercations at school.

According to ARS 15-341 staff members are to report any suspected crimes against persons or property and any incidents that could potentially threaten the safety and security of pupils, teachers, or administrators to local law enforcement.

**BODY WORN CAMERAS (BWC'S)**

Increasingly, law enforcement agencies are utilizing BWC's in their law enforcement practices, including those agencies that collaborate with the District. We have requested and been provided with information concerning how these devices may be used. While each agency has adopted its own policy for the use of BWC's, we wanted to provide you with the following information below.

Generally, BWC's will only be turned on when there is a "law enforcement action" taking place or when deemed appropriate by the officer. BWC's are typically NOT utilized in the following circumstances:

- Traditionally private settings (bathrooms, locker rooms, during medical exams, etc.) absent a compelling reason to do so.
- When the victim of a sexual assault requests that a recording not be made.
- During casual interactions with individuals (i.e. when there is no law enforcement action), e.g., greeting and talking to students, when teaching law related classes, and when simply being a crime deterrent presence.
- When making a recording would be impossible, impractical, or unsafe.

All law enforcement agencies must comply with A.R.S. § 1-602(9), which requires, in pertinent part, written parent consent prior to making a video or voice recording, unless the video or voice recording is made by law enforcement officers during or as part of a law enforcement investigation, during or as part of an interview in a criminal or child safety services investigation or to be used solely for any of the following:

- Safety demonstrations, including the maintenance of order and discipline in the common areas of a school or on pupil transportation vehicles;
- A purpose related to a legitimate academic or extracurricular activity;
- A purpose related to regular classroom instruction;
- Security or surveillance of buildings or grounds; or
- A photo identification card.

Any student who violates these policies and regulations may be subject to discipline up to expulsion, in addition to other civil and criminal prosecution. These punishments may be in addition to any customary discipline that the District presently dispenses. Such students may be removed from their respective attendance boundary schools and placed in alternative educational programs.

Local law enforcement shall be notified by the Superintendent regarding any suspected crime against a person or property that is a serious offense, involves a deadly weapon or dangerous instrument or that could pose a threat of death or serious injury to employees, students or others on school property. The staff member shall preserve the confidentiality of those involved, disclosing the incident only to the appropriate school administrator or next higher administrative supervisor or as otherwise required by law. ## **SEXUAL HARASSMENT INVOLVING STUDENTS**

### **BOARD POLICY ACAB SUMMARY**

***Prohibition Against Sexual Harassment.*** Sexual harassment is prohibited.

**Types of Prohibited Sexual Harassment.** Sexual harassment is unwelcome conduct of a sexual nature. It can take two forms:

- **Quid pro quo harassment** occurs when a school employee or person of authority causes a student to believe that he or she must submit to unwelcome sexual conduct in order to participate in a school program or activity. It can also occur when an employee or person of authority causes a student to believe that the employee or person of authority will make an educational decision based on whether or not the student submits to unwelcome sexual conduct.
- **Hostile environment harassment** occurs when unwelcome conduct of a sexual nature is so severe, persistent or pervasive that it affects a student's ability to participate in or benefit from an education program or activity, or creates an intimidating, threatening or abusive educational environment. A hostile environment can be created by a school employee, another student or someone visiting the school

**Examples of Sexual Harassment.** Sexual harassment can take many forms and can occur on or off school campus (i.e. on field trips, on off-campus athletic events). Girls can sexually harass girls and boys can sexually harass boys. Depending upon the circumstances, sexual harassment may include, but is not limited to:

- Suggestive or obscene letters, notes, or invitations or display of sexually suggestive objects, pictures, or cartoons.
- Sexually derogatory comments, slurs, or jokes.
- Sexual name calling or spreading of rumors of a sexual nature.
- Sexual touching, impeding or blocking movement, or leering gestures.
- Continuing to express sexual interest after being informed that the interest is unwelcome.
- Withholding earned or deserved grades or credits because the student reports the sexual harassment behavior or fails to comply with the sexual request, or implying or threatening that earned or deserved grades or credits will be withheld if the student reports the sexual harassment behavior or fails to comply with the sexual requests.
- Suggesting that a scholarship or college application will be denied if the student reports the sexual harassment behavior or fails to comply with sexual requests, or actually taking action to see that a scholarship recommendation or college application will be denied if the student reports the sexual harassment behavior or fails to comply with the sexual requests.
- Any coercive sexual behavior used to control, influence, or affect educational opportunities, grades, and/or the learning environment of a student, including a request for sexual favor from a person of authority.

**Gender Based Harassment.** Gender based harassment is a form of prohibited sexual harassment that occurs because a student does not conform to gender stereotypes.

**Prompt and Thorough Investigation.** If harassment is reported, or if it is widespread or well known to students and staff, the District shall respond. The District will investigate and document alleged acts of sexual harassment in a prompt and thorough manner.

**Prompt Remedial and/or Disciplinary Action.** If the District determines that sexual harassment has occurred, the District will take effective steps to end the harassment and prevent it from happening again.

The District shall take prompt remedial and/or disciplinary action against individuals who have engaged in activities prohibited by this policy. Students and employees shall be disciplined in accordance with applicable discipline Policies and guidelines. Disciplinary consequences may include but are not limited to suspension from school or expulsion from the District. Disciplinary consequences for employees may include but are not limited to suspension without pay or dismissal. Possible remediation actions may be but not limited to education training and counseling.

**Reports of Possible Crimes.** When the alleged sexual harassment may also constitute a crime, the incident shall be reported promptly to the appropriate law enforcement agency. The District shall not wait for the conclusion of a criminal investigation or a criminal proceeding to begin its own investigation. If necessary, the District must take interim preventative measures to ensure the safety of the alleged victims and of the larger school community during the criminal investigation or criminal proceeding.

**Child Abuse Reporting.** A school employee who reasonably believes that a minor has been the victim of physical injury, abuse, child abuse or neglect that appears to have been inflicted by other than accidental means or that is not explained by the available medical history as being accidental shall make a mandatory report in accordance with District regulation JLF-RB. The requirement to report suspected abuse is applicable whether the alleged abuser is a student or an adult.

**Confidentiality.** All matters involving complaints of sexual harassment will remain confidential to the extent possible.

**Non-retaliation.** Retaliation in any form for filing a report of sexual harassment or participating in an investigation relating to sexual harassment is prohibited. Persons who have been determined to have retaliated will be subject to disciplinary action.

## **STUDENT INTERROGATIONS, SEARCHES AND ARRESTS**

### **BOARD POLICY J-3400 JIH-R SUMMARY**

#### ***INTERVIEWS:***

School officials may question students without limitation with regards to all relevant matters. The parent will be contacted if a student interviewed is then subject to discipline for a serious offense. A student may decline at any time to be interviewed by the School Resource Officer (SRO) or another peace officer.

#### ***CHILD ABUSE CASES:***

If a department of child safety (DCS) worker or peace officer enters the campus requesting to interview a student attending the school, the school administrator shall be notified. Access to interview shall be granted when the child to be interviewed is the subject of or is the sibling of or is living with the child who is the subject of an abuse or abandonment investigation. The personnel of the District shall cooperate with the investigating department of child safety services worker or peace officer. If a student is taken into temporary custody in accordance with A.R.S. 8-821, the department of child safety services worker or peace officer may be reminded to notify the student's parent of the custody, pursuant to A.R.S. 8-823. The department of child safety services worker or peace officer shall be requested to establish proper identification and complete and sign a "Form for Signature of Interviewing Officer." Six (6) hours following the relinquishment of custody by the school, school personnel may respond to inquiries about the temporary custody of the child and may, if considered necessary, call the parent.

#### ***CASES WHERE SCHOOL SAFETY IS NOT AN ISSUE:***

If a peace officer enters the campus requesting to interview a student attending the school on an issue other than upon request of the school or for abuse or abandonment, the school administrator shall be notified. If the officer directs that parents are not to be contacted because the interview is related to criminal activity of the parent(s)/guardian, the school official shall comply with the request. Unless these circumstances exist the parent will be contacted and will be asked if they wish the student to be interviewed. If the parent consents the parent will be requested to be present or to authorize the interview in their absence within the school day of the request. Where an attempt was made and the parent(s) could not be reached or did not consent within the school day of the request, the peace officer will then be requested to contact the parent(s) and make arrangements to question the student at another time and place.

#### ***CASES WHERE STUDENT SAFETY IS AN ISSUE:***

When a peace officer is present on the campus to interview students at the request of school authorities due to concerns for the safety of the students in the school population, parent contact shall only be made if a student is taken into custody or following the determination that the student may be subject to discipline for a serious offense. The SRO, present at the request of the school for the continued maintenance of safety and order, may interview students as necessary regarding school related issues as determined by school officials and parents will be contacted if the student is to be taken into custody or if the student is subject to discipline for a serious offense.

#### **SEARCHES**

School officials have the right to search and seize property, including school property assigned to students, when health, safety, and/or welfare of the student(s) is in jeopardy, or when there is reason to believe that a search will turn up evidence that the student has violated school rules or the law. Searches may also include a student's personal property such as backpacks, pockets, and other personal effects. Disrobing of a student is overly intrusive for purposes of most student searches and is improper without express concurrence from School District counsel.

Items provided by the District for storage (e.g., lockers, desks) by students are school property and are subject to its control and supervision. Students have no reasonable expectancy of privacy in school-provided lockers, desks or other storage areas, and may be inspected at any time with or without reason, or with or without notice, by school personnel. The District reserves the right to monitor and inspect the student use of the District's technology, internet and network systems, with or without reason, or with or without notice, by school personnel.

## **ARRESTS**

When a peace officer enters a campus providing a warrant or subpoena, or comes with the intent of taking a student into custody, the peace officer will provide proper identification, and complete and sign a form required of an arresting and/or interviewing officer for the school. The school staff shall cooperate with the officer, and may respond to parental inquiries about the arrest. The school may explain the relinquishment of custody by the school and the location of the student, if known, upon contact by the parent

## BYOT Responsible Use Agreement

(Signature required)

We are pleased to be able to offer “Bring Your Own Technology” as an option to expand student and staff access to online and other educational electronic resources. The purpose of this agreement is to outline the expectations for use of personal electronic devices on our campuses.

### Chandler Unified School District BYOT Philosophy

Our philosophy is to assist all members of the Chandler Unified School District community to be **good digital citizens** – students and staff who use technology to support learning in a meaningful, safe and responsible way, in accordance with all applicable state and federal laws. (NOTE: Regulations, consequences, and possible disciplinary action for inappropriate use of the network and electronic devices are already covered by the CUSD Acceptable Use Policy, a separate document available at: <http://cusd80.com/AUP>.)

### Purpose of and Permissions to Use Personal Electronic Devices at School

Like other personal items that may be brought from home to school, there are times and places where the use of personal electronic devices is beneficial to instruction, and other times when it is not. The expectation is that personal electronic devices are to be used only for instructional purposes, in appropriate times and places as determined by each school's principal. Teachers who permit the use of personal electronic devices in class are expected to model and teach responsible use of the Internet, to monitor students' use of the devices, and to set up any applicable classroom procedures and rules pertaining to this use. Teachers or other staff may be able to assist, but can not be expected to troubleshoot problems with the students' technology.

### Internet and Network Access

We maintain a filter that blocks harmful content on the Internet from students. When you sign this agreement and bring in your own device, you will be allowed to use the district-supplied, filtered network for Internet access at your school, if available. **The District reserves the right to monitor use of the District's systems for improper use without advance notice or consent.** Your signature indicates your understanding that any activity that occurs with the use of the District's internet and network systems are not private and may be accessed by the District for the purpose of ensuring proper use. Your signature also indicates your understanding that we cannot filter any non-district network connections (such as 3G or 4G) that may be already present on your device, and that you agree to follow the Acceptable Use Policy and all other related CUSD policies related to Internet use, regardless of the network you use. Use of electronic devices outside of these conditions is not allowed, can be considered a distraction to instruction, and will be handled as already described in the Student Handbook. (Please see the Student Handbook for more information about current policies related to technology use at school.)

### **Examples of What You MAY Do With Your Device at School:**

*Using the device at times and in places when the teacher has given permission for you to use them, such as:*

- Conducting research on the web for a school project –citing resources, following copyright law, respecting the intellectual property of others
- Creating documents in collaboration with other students when working in groups
- Participating in class discussion threads, using respectful language to others
- Engaging in class activities using your device as a responder
- Taking a photo or video of a project to put into a class presentation

### **Examples of What You MAY NOT Do With Your Device at School:**

*Using the device at times or in places when the teacher has asked you not to use them, such as, but not limited to:*

- Texting to others for non-instructional purposes
- Bullying or threatening others
- Playing non-educational games
- Attempting to bypass network security or engaging in hacking
- Taking a photo or video of another person and posting it to the Internet
- Sharing personal information with others
- Engaging in plagiarism or copyright infringement

Please note that use of personal electronic devices is left to the discretion of the classroom teacher. The teacher will make the final determination of when use of personal electronic devices is appropriate.

### **You are encouraged to:**

- Personalize your device with a case, school-appropriate skins, decals, wallpaper, etc. that will make it easier to distinguish your device from other students' similar devices.
- Charge your device before bringing it to school. (It will not be possible to charge student devices at school.)
- Keep track of your personal electronic device. The school and district is not liable for your losses due to theft, damage, or other financial harm.
- Follow the Acceptable Use Policy and school and class rules. Remember that BYOT is a privilege, not a right. This privilege can be taken away if abused.
- Install, update, and use virus protection on your device. If your device is determined to be the source of virus infections or security problems, access may be discontinued.

As new technology becomes available, we expect that it will be necessary to update this document and to make clarifications. If you have questions about which devices and specific uses are permitted, please refer these questions to your teacher and/or school principal.

## STUDENT CONFINEMENT: PARENTAL NOTIFICATION AND CONSENT

Arizona law (A.R.S. § 15-843) requires school district discipline policies to address the confinement of students left alone in an enclosed space. Governing Board Policy JK, "Student Discipline" and related Regulation JK-R address this topic.

The District does not engage in the use of confinement for disciplinary purposes. However, pursuant to A.R.S. 15-843, the District is required to notify parents/guardians that confinement may be used for disciplinary purposes and provide a process to obtain prior written parental consent.

Although the District does not anticipate the use of confinement for disciplinary purposes, it has adopted the following process to notify parents/guardians of the possible use of confinement for disciplinary purposes, as well as to obtain their prior written consent:

- The notification will be included in the student/parent handbook disseminated at the beginning of every school year.
- Parent consent will be obtained by having the parent indicate their agreement or disagreement for the use of confinement for disciplinary purposes on the Acknowledgement of Handbook Receipt form, completed yearly upon receipt of the handbook.

Please note: Arizona law and Governing Board Policy permit school personnel to place a student alone in an enclosed space without parental consent if the school principal or teacher determines that the pupil poses an imminent physical harm to self or others. In this case, the school principal or teacher shall make reasonable attempts to notify the student's parent/guardian in writing by the end of the same day that confinement was used.

Please indicate your consent or refusal to permit the confinement of your child alone in an enclosed space for disciplinary purposes where indicated below. By signing below, you are acknowledging that you have read this notification.

### BYOT Agreement: Parental Notification and Consent

**I understand and will abide by the above policy and guidelines, in addition to any applicable Governing Board Policies, Administrative Regulations, and State and Federal laws concerning the use of technology. I further understand that any violation may result in the loss of my network and/or BYOT privileges, as well as other disciplinary action, and/or legal action in accordance with law and Board policy.**
