BOGLE BOOSTER CLUB

Dear Parents, Guardians and Grandparents,

Welcome to Bogle! Junior high is a challenging and exciting time in a student's career and the Booster Club works to support and enhance this experience through service and volunteerism. You are invited to join us in these efforts. Opportunities for involvement, with varied time commitments (from one-time events to daily/weekly support) are listed on the back of this form. The Booster Club Executive Committee is also seeking individuals interested in serving in co-chair positions. If you have an interest, please indicate by marking the appropriate area on the volunteer sheet.

If you are unable to volunteer, please consider making a tax donation to the school. Tax Credit contributions directly impact students by allowing the school to expand extra-curricular opportunities that address a wide range of student interests.

Thank you in advance for helping to make Bogle a great place for students and staff!
