

Note to Parents: If you are encouraging your child to take an honors level class please have a conversation with this year's current teacher to ensure proper placement. Please also note that leveling down in the future can be challenging if classes are full. Students will not be able to level down if it means exceeding class size maximums. In addition, students cannot change levels until term 1 progress reports (approximately 4.5 weeks into the school year).

I confirm that I have read and understand all of the above information:
