Teachers are hired, and the master schedule is created, based on student requests. Please give careful consideration to your selections, as we will be unable to accommodate elective changes after schedules have been created.

- Students **must** select classes to fill six (6) periods.
- Students **must** provide at least three (3) alternate choices for electives.
- Students **must** get teacher initials for all core classes.
- Students **must** get parent signature.
- **Note to Parents:** If you are encouraging your child to take an honors level class, please have a conversation with his or her current teacher to ensure proper placement. In addition, students cannot change levels until quarter 1 progress reports (approximately 4.5 weeks into the school year). At that time, level changes will be granted based on availability.

Circle one core course from each row.
