

You must create an account to complete the Priority Freshman Registration. **This log-in is separate from the student parent portal for infinite campus.** The “Register” button is located at the top right hand side of the webpage.

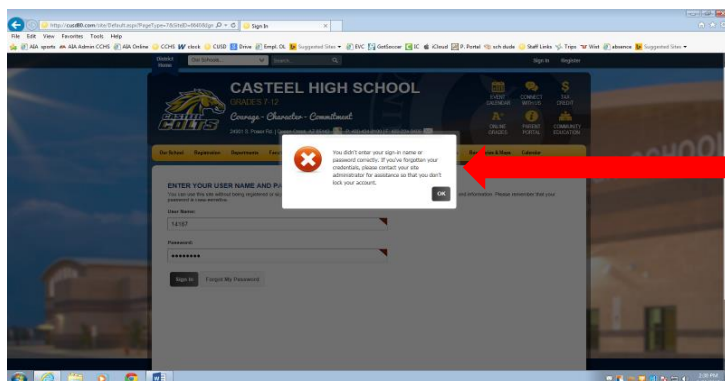

If you already created an account just click the “sign in” button located next to the “Register” button

When you click “Register” this is the first page you will see. There will be a series of questions you will be asked. After completing this process you can log-in to the priority freshman registration. Please **remember** your information or be sure to save your account log-in in a safe place for next year. The district is NOT able to retrieve information.

Once registered for your account, find your way back to the CCHS calendar. Click the day and time you are requesting. Fill in the requested information. Student name, student number, parent name, parent email and phone number. You should receive a confirmation email of your appointment.

If you received this error message this means you do not have an account created in “SCHOOLWIRES” or you have entered the wrong information. Please see the previous boxes.
