

**Your Transition
to High School**

Casteel Highlights 2016-17

- Phase II construction
- Unique opportunities exclusive to Casteel
- Athletic Academies
- STEM:
 - Engineering
 - Computer Science
 - Cyber Security
- AP Diploma/AGEC

Honors

- The Honors curriculum is geared toward freshmen and sophomores.
- Honors courses are available at Casteel High School.
- Grades in Honors classes are weighted.
- Honors classes are often taken in preparation for the transition to Advanced Placement courses in junior and senior years.
- Talk with your school's counseling office, or check out the CUSD Course Description Catalog, to find out the courses available.

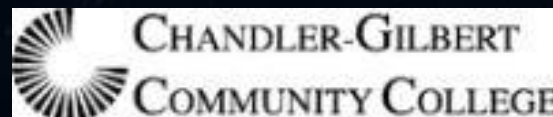

Advanced Placement (AP)

- AP courses are offered at Casteel High School.
- These accelerated courses prepare students to take the national AP exams (given in the spring) as well as help them prepare for the rigors of college.
- If students score well on the AP exam, they may be granted advanced placement status and/or college credit.
- Students are eligible to take AP courses beginning their **JUNIOR** year of high school.
 - AP Human Geography may be offered beginning in the sophomore year.
 - AP World History/Geography may be offered for freshman.
- Course information is available in the school's counseling office.

Dual Credit Enrollment

- Dual credit from a college may be granted in specified academic and/or occupational courses.
- Dual credit courses earn both high school and college credit for the same class.
- Dual credit courses will be taught at Casteel High School starting 2017-2018, in partnership with CGCC.
- Payment of tuition to the cooperating community college is required (scholarships may be available).
- See high school counseling departments for specific information and the availability of courses at your high school.

Graduation Requirements

Curriculum Area	CUSD Graduation Requirements	Arizona University Entrance Requirements
English	4 credits	4 credits
Math	4 credits	4 credits
Science	3 credits	3 lab science credits
