What is Short Term Disability insurance?

Short Term Disability (STD) insurance can help you replace a portion of your income during the initial weeks of a Disability.

Eligibility Requirements

Short Term Disability: All active full-time employees working at least 20 hours per week are eligible to participate.

How is “Disability” defined under your Plan?

Generally, you are considered disabled and eligible for short term benefits if, due to sickness, pregnancy or accidental injury, you are receiving appropriate care and treatment and complying with the requirements of the treatment and you are unable to earn more than 80% of your pre-disability earnings at your own occupation from any employer.

For a complete description of this and other requirements that must be met, refer to the Certificate of Insurance/Summary Plan Description provided by your Employer or contact your MetLife benefits administrator with any questions.

What is the benefit amount?

Short Term Disability:

The Short Term Disability benefit replaces a portion of your predisability earnings, less the income that was actually paid to you during the same Disability from other sources¹ (e.g., state disability benefits, no-fault auto laws, etc.).

You have the choice of electing one of three Benefit options:

40% Benefit Amount

50% Benefit Amount

66 2/3% Benefit Amount

Your Benefit amount is based on your predisability weekly earnings and is subject to the plan's maximum weekly benefit of \$1,500.

When do benefits begin and how long do they continue?

Short Term Disability:

Benefits begin after the end of the elimination period. The elimination period begins on the day you become disabled and is the length of time you must wait while being disabled before you are eligible to receive a benefit. The elimination periods are/is as follows:

For Injury: 7 days

For Sickness (includes pregnancy): 7 days

Benefits continue for as long as you are disabled up to a maximum duration of 25 weeks of Disability.

Your plan's maximum benefit period and any specific limitations are described in the Certificate of Insurance provided by your Employer.

Questions & Answers

Q. Can I still receive benefits if I return to work part time?

A. Maybe. As long as you are disabled and meet the terms of your Disability plan, you may qualify for adjusted Disability benefits.

Your plan offers financial and Rehabilitation incentives designed to help you to return to work when appropriate, even on a part-time basis when you participate in an approved Rehabilitation Program.

With the Rehabilitation Incentive you can get a 10% increase in your weekly benefit.

If you work or participate in a rehabilitation program while disabled, following the 4th weekly benefit payment, the Family Care Incentive provides reimbursement up to \$100 per week for eligible expenses, such as child care.

Q. Are there any exclusions for Pre-Existing Conditions?

A. Yes. For the first 12 months your plan may not cover a sickness or accidental injury that arose in the 3 months prior to your participation in the plan. Thereafter, provided you remain disabled, the sickness or accidental injury may be covered. A complete description of the pre-existing condition exclusion is included in the Certificate of Insurance provided by your Employer or contact your MetLife benefits administrator with any questions.

Additionally, no payment will be made for a Disability caused or contributed to by any injury or sickness for which you are entitled to benefits under Workers' Compensation or a similar law.

The "Plan Benefits" provides only a brief overview of the STD plan. A more complete description of the benefits provisions, conditions, limitations, and exclusions will be included in the Certificate of Insurance/Summary Plan Description. If any discrepancies exist between this information and the legal plan documents, the legal plan documents will govern.

Short Term Disability ("STD") coverage is provided under a group insurance policy issued to your employer by MetLife. This STD coverage terminates when your employment ceases, when you cease to be an eligible employee, when your STD contributions cease (if applicable) or upon termination of the group contract by your employer. Like most group insurance policies, MetLife's group policies contain certain exclusions, elimination periods, reductions, limitations and terms for keeping them in force. State variations may apply.
