

MARK YOUR CALENDARS THE 3RD ANNUAL KEYBOARDING CHALLENGE WILL BEGIN NOV. 26TH

Are you ready for the Key-Key Challenge????

On November 26th, 2018 we will begin the 3rd Annual Keyboarding Challenge. Every student on campus is encouraged to participate in this amazing event. Each week students will have a goal to complete between 20-40 mins of keyboarding. This can be done at school and at home. If you reach that goal, you will receive a "Key" charm. Even better than that, if you **double** your goal each week, you will earn a **BONUS "High Five" charm** for your collection. If you collect all 3 Keys you get a "Thumbs Up" Charm! Each week the class with the most minutes (k-1, 2-3 or 4-6) will get to display the *golden keyboard* in their classroom for a week and be added to the wall of fame! The grand prize, **An Escape the Room Challenge**, goes to the class with the most combined minutes from each grade level.

Participating in this challenge will help you become more efficient when you write papers, emails and even blogs! It will even help you take your state tests. Why not learn a useful skill while having fun at the same time!

Come on Toros! Let's Get Keyboarding!

THE 3RD ANNUAL
KEYBOARDING
CHALLENGE
WILL BEGIN
NOVEMBER 26
