

## MARK YOUR CALENDARS THE 4<sup>TH</sup> ANNUAL KEYBOARDING CHALLENGE WILL BEGIN NOV. 18<sup>TH</sup>

### Time to Take Our Hands to the Old Home Row and Type 'Till We Can't No More!

On November 18th, 2019 we will begin the 4<sup>th</sup> Annual Keyboarding Challenge. Every student on campus is encouraged to participate in this amazing event. Each week students will have a goal to complete between 20-40 mins. of keyboarding depending on grade level. This can be done at school and/or at home.

This year there will be prizes each week for the students who meet their weekly typing requirement. The prizes are a surprise and will all be technology-related. If you make your goal each week for all three weeks you will get a ticket to the Otter Pop Party and a certificate of completion. Each week the class with the most combined minutes (k-1, 2-3 or 4-6) will get to display the *golden keyboard* in their classroom for a week and be added to the wall of fame! The grand prize, ***An Escape the Room Challenge***, goes to the class with the most combined minutes from each grade level.

Participating in this challenge will help you become more efficient when you type papers, emails and even blogs! It will even help you take your state tests. Why not learn a useful skill while having fun at the same time!
