

# *Auxier Drone Club!*

*5<sup>th</sup> and 6<sup>th</sup> Graders who want to learn to pilot a drone!*

*Grade Levels: 5<sup>th</sup> and 6<sup>th</sup> Grade Students at Auxier Elementary School*  
*Time / Day: Fridays, 8/16 to 9/27, 7:45 – 8:30 AM (7 classes)*  
*Location: Auxier Elementary School Computer Lab B*  
*Cost: \$70 (\$10 per class)*  
*Instructor: Curt Landon, Auxier ES Technology Specialist*

*We will learn to safely pilot a quadcopter drone as we explore the science and physics of flight! We will learn about the rules and regulations of drone flight and focus on the basics of drone operation. Students will create courses and challenges to practice real-world drone applications. Finally, we will research and explore ways drones are used in a variety of business and government applications. Approved drones will be provided.*

*Contact Curt Landon ([landon.curt@cusd80.com](mailto:landon.curt@cusd80.com)) with questions.
