Dual Enrollment provides high school students the opportunity to earn community college credits while still in high school - within the high school day - without having to leave the high school setting.

Dual Enrollment assistance will be available on July 10-11 from 9:1:00 and on July 10 from 5-7:00 in the Media Center.

Dual Enrollment courses are taught by qualified teachers using college level curriculum. The credit earned may be transferrable to fulfill lower-general education requirements, and complete a certificate or Associates Degree
