- All members of class must treat each other, the school and personal property respectfully.
- Follow all school rules.

Dance Class Rules:

- NO food, NO drink, NO gum, and NO street shoes allowed on the studio floor. This is to insure the safety and cleanliness of our dance space.
- All class members will be courteous to one another, share space, and keep negative comments to themselves. This includes no vulgar or profane language.
- When the music is off, stop talking and wait for further instruction.

Security:

Theft occurs when a student leaves their belongings in an unsecured area or they fail to lock their locker. Students are ultimately responsible for their belongings. All personal items - clothing, books, purses, bags, etc. are to be locked up in the locker room. **Cell Phones and Other Electronic Devices** are brought to school at your own risk.

Materials Required:

Class Fee: A \$25 class fee is required to take dance. All students will need to pay this fee at the bookstore within the first two weeks of school.

Dance Notebook:

Every student must bring a ½ inch 3-ring binder and 8 divider tabs to be used as a dance notebook. We will label the tabs together in class, and use it periodically throughout the course. Students are best advised to store the notebook in their dance locker so that it is always available without carrying it to and from school every day. The notebook contains information for all written quizzes, tests, as well as the concert critique assignment requirements.

Lockers:

Each student will be issued a lock and a locker. Please do not share your locker or lock combination with other students and USE your locker during your class period. **Report a lost lock to your teacher immediately. If you are unable to find your lock, there will be a \$5.00 fee for a new lock.** Please be sure to double check that your lock is locked before leaving class. **We are not responsible for lost or stolen items. Please leave your valuables at home!**

Proper Attire:

Females:

Bottoms: Fitted black leggings/yoga pants. Leggings are preferred, but yoga pants or jazz pants are acceptable. No sweats or long shorts. *Ensure that leggings are not see-through!*

Tops: Snug-fitting solid black tee shirt or tank top – no spaghetti straps, revealing necklines, crop tops, or bra straps showing. Length must cover belly and lower back when bending/stretching. No large baggy tops, and no large or torn arm holes.

- Males: Bottoms: Black joggers, sweats, or men's jazz pants. No long shorts.
Tops: Solid black tank top or snug-fitting tee shirt. Length must cover belly and lower back when bending/stretching. No large or torn arm holes.
- Hair: All hair must be pulled up off the face and neck for class.
- Footwear: No specific dance footwear is required. Students may dance barefoot if preferred. Jazz shoes, turners, foot undeez, or dance paws are all suitable shoes as well.

Grading Procedures: Quarter grades are comprised of the following categories:

Participation 50%

This grade is based on your behavior and participation in class along with the number of days you attend class in proper attire. All students who choose not to dress out or participate will lose points for that day. An unexcused absence will be considered a ditch. **UNEXCUSED ABSENCES, TARDIES, AND NON-DRESSES CANNOT BE MADE UP AND WILL LIMIT YOUR GRADE.** Excused absences can be made up.

Skill Assessments 20%

You will be graded on proper knowledge and execution of the movements learned in class, along with how well you are improving your movement skills as a dancer.

Written Exams 20%

You will be tested periodically over the various dance units. This will include terminology, anatomy, history, etc.

Assignments 10%

Various assignments will be given throughout the year. All assignments will be figured into the final grade and include concert critiques, journals, etc.

*****Semester grades are calculated using the 45-45-10 formula*****

Quarter 1 & 2 = 45% each, Final Exam = 10%

Attendance/ Participation Policies:

Dance Participation: Your participation grade is worth 50% of your overall grade. Failing to follow the Perry High School Dance expectations will result in a loss of points. See the following chart.

Point values included in Daily Points:

Unexcused absence	-5
Excused absence	-5
Not dressed properly (ND)	-2.5
No participation	-5
Tardy (T)	-2

Absences: After 7 absences, or excessive non-participation, students may be placed on an attendance contract or dropped from the class. Ten absences will result in automatic withdrawal from the class. **Students with excused absences will be allowed to make-up those absences.** Each student is personally responsible for any assignments missed. Students are also responsible for scheduling make-up exams with the teacher.

Tardies: Students may not make-up points lost due to tardiness. Students who miss more than half of class time will be counted as absent. School policy dictates that after 4 tardies a student will receive an administrative referral.

Non-Dresses: A non-dress results when a student does not wear proper attire. All non-dresses will result in a loss of participation points for the day. A student may still participate in class, if the non-dress attire permits safe participation in the class. If not, the student may not participate and will lose ALL participation points for that day.

Make-Up Work: Students are responsible for all assignments/quizzes/tests missed. Make-up assignments must be completed and submitted on the specified due dates.

Concert Critique: Each student is required to attend one live dance concert per semester. Students may attend the concert of their choice. A written critique paper is required within two weeks of seeing a show. Refer to the dance notebook and or website for paper requirements. If a student cannot attend a live concert due to hardship, an alternate assignment will be given in its place. The student must see the teacher at least **3 weeks in advance** of the final submission due date to receive this assignment.

Dance Concerts: As a member of Advance Dance you are required to participate in three concerts a year. **Dance Concerts and rehearsals are mandatory. You will earn a grade for participation.** More specific details will be issued for each individual concert at a later date, but be mindful that the week before and the week of concert will necessitate after school rehearsals. Please be sure to save these dates and plan accordingly. Dancers who are injured or who cannot perform will be required to work behind the scenes to earn their points.

NOTE Dancers who do not take both 1st and 2nd semester dance will not perform in the Student Dance Show but instead will work behind the scenes to earn their points. Students who are failing the class at specified checkpoint dates will not perform either, and will work behind the scenes to earn their points.

Injured/ Long Term Illness/ Medical Excuses:

If a student is injured and unable to participate in class, the student **MUST** have a note to excuse him or her. The note may be from a doctor, parent, school nurse, or athletic trainer. If the excuse is for more than three (3) consecutive class periods, the student must bring a doctor's note. Once a doctor's note has been received for an injury, the student **MUST** provide a doctor's note for clearance to resume participation. Any time a student does not fully participate in class she will lose participation points for the day. If the non-participation is excused via doctor's note, she will be allowed to turn in make-up work to regain the points.

*Note: If you have a conflict with any rehearsal or event and you fail to notify Ms. Miller two weeks ahead of time, there will be no way to make up points lost due to an absence. You also risk being taken out of choreography. Conflicts should be communicated via email and in person.

Late Work Policy: Students are expected to turn in assignments when the teacher asks for them, which is typically during roll call. Any work turned in afterward (including later the same day) is considered late. In most cases late work is not accepted in dance class.

Tactical Teaching Note: Dance teachers frequently find it necessary to give hands-on instruction in order to correct technique and benefit the dancers. If you have any problems with this, please talk to your teacher so that accommodations can be made.
