

7/8 General Art
Midterm Review: What you need to know
Write definitions, etc. in the space provided.

Elements of Art

- Line
- Shape
- Form (how are shape and form different?)
- Color
- Texture (what are the 2 types of texture?)
- Space (what are techniques an artist can use to suggest the illusion of space?)
- Value (what does value DO in a painting/drawing?)

Drawing techniques (be able to demonstrate the following)

- Shading
- Hatching
- Cross-hatching
- Stippling
- Define Value Scale

Color

- How do we view color?
- Color wheel—who developed it, when, what is it used for?
- Color groups:
 1. primary
 2. secondary
 3. tertiary
 4. complementary
 5. analogous
 6. monochromatic (tint and shade)

7. temperature

- What is color harmony?

Plaster Masks

- What is functional art?
- Know some reasons for mask creation/wear
- Where are mask materials generally found?
- Zoomorphic
- Anthropomorphic

Craftsmanship (what does this mean?)
