

## 7/8 General Art

### Midterm Review: What you need to know Write definitions, etc. in the space provided.

#### Elements of Art

- Line
- Shape
- Form (how are shape and form different?)
- Texture (what are the 2 types of texture?)
- Space (what are techniques an artist can use to suggest the illusion of space?)
- Value (what does value DO in a painting/drawing?)

#### Principles of Design

- Contrast
- Emphasis
- Balance

#### Drawing techniques (be able to demonstrate the following)

- Shading
- Hatching
- Cross-hatching
- Stippling
- Define Value Scale

#### Color

- How do we view color?
- Color wheel—who developed it, when, what is it used for?
- Color groups:
  1. primary
  2. secondary
  3. tertiary

4. complementary
  5. analogous
  6. monochromatic (tint and shade)
  7. temperature
- What is color harmony?

**Clay** (where does it come from?)

- The 3 states of clay are:
  - Which one does your clay need to be before you can fire it?
  - Which one is easiest to work with?
- Knead
- Slip
- Score
- Fire
- Kiln
- Glaze
- The 3 hand building techniques are:

**Craftsmanship** (what does this mean?)
