Noun-Adjective Agreement

- In Spanish, adjectives match the **gender** (masculine/feminine) and the **number** (singular/plural) of the nouns they describe (just like definite/indefinite articles).
- So, every adjective has four forms (singular/masculine, singular/feminine/plural masculine/plural feminine).
- Unlike English, in Spanish the adjective goes **AFTER** the noun.
- Example: The **big** school = La escuela **grande**

Noun-Adjective Agreement

- Most Spanish adjectives end in **o**. To make them feminine, change the **o** to an **a**.
- To make them plural, add **s**.

Noun-Adjective Agreement
