

24 HOUR PLAY FESTIVAL!

What is it?

The 24 Hour Play Festival is a production where auditions, script writing, rehearsals, and performances all happen within 24 hours! Scripts will be written & directed by members of the Company Theatre class, with technical designs by members of the Technical Theatre II class. Each script will be about 10 minutes.

Auditions will be held Friday, February 21 starting at 4 pm in the drama room (by the band room). Auditions are only open to high school students. Prepare a 45- second to one-minute monologue OR a story from your life around the same length of time. The audition panel will consist of Company students & Mrs. Pitner. Shortly after auditions you will find out which playwright/director team you've been paired with. This is a **no cut show!** All who audition will be involved in some way!

Actors will report back to the PAC on Saturday morning at 9 am. You will stay all day – rehearsing, finding costumes, and getting ready to perform that night! You will get a lunch break so either bring a sack lunch or money for food if you plan to go out. See the schedule online for more!

Lunch and dinner will not be provided. Students will get a lunch break on Saturday and can either bring a lunch and eat on campus or they can go pick up something from home or somewhere close. Dinner will need to be brought (sack lunch), as we will be eating during dress rehearsals at 5 pm.

Want to come see it?!

Performances are Saturday at 7 pm in the PAC

Tickets are \$5 at the door. All proceeds go towards our students competing at nationals this summer!!
