*Students interested in creating a club should talk with one of their teachers to see if they will sponsor a club.

New club forms are available in the front office.

* Many clubs meet weekly. The sponsors will let club members know the specific club meeting dates. Dates and times are subject to change. Students must listen to the announcements for updates.

* There is a late bus Monday through Thursdays at 4:50 pm. This bus will not drop students at their regular bus stop. The driver will provide details regarding the drop off location.
