

# HIGH SCHOOL POM TRYOUT PACKET      2019-2020

Dear Parents and Prospective Member,

We are excited that your child has shown an interest in becoming a member of the Casteel High School Spiritline for the 2019-2020 school year. The following is a packet that you and your child will need to become familiar with before making a decision to participate in this sport. If she/he is elected to be a member of the Spiritline, there are specific responsibilities and obligations in which your child must assume in order to qualify and remain part of the squad.

The purpose of the Casteel High School Spiritline program is to support school activities and programs with school spirit and pride. Athletes are positive role models to their fellow peers and are expected to be examples of school policy regarding attitude, attendance, academics, and sportsmanship. In addition, all team members will learn the importance of commitment, teamwork, and responsibility.

Team size will vary depending on the natural break in points. A possibility of Junior Varsity, Varsity, Alternates, Game Day Squad, and Competition Squad could be selected. All team members will need coach approval to perform in any routine, sideline cheering, and school performances. Not everyone is guaranteed a spot on the Competition team or to perform in all routines. The final decision on the membership of any team and eligibility to perform in routines is made by the coach(es)/choreographer. All members of the team will be responsible for choreography fees. Only those competing will have competition fees.

Casteel High School members are **required** to:

- Be enrolled in Pom Academy class at Casteel High (Advanced Dance).
- Perform at assemblies, attend all home and away football games, boys' and girls' basketball games (home and away if the team is asked to go), and possible competitions.
- Participate in UDA Summer Camp (July 12th- 15th @ JW Marriott Desert Ridge Resort).
- All members chosen for competition will compete in the AIA Qualifier and State Competition, Various UDA and USA Competitions, USA Nationals, and other independent competitions (dates will be given upon their release).
- Maintain required technique skills needed to be on the appropriate team.
- Maintain fitness evaluation scores/times needed to be on the appropriate team.
- Attend after-school practices currently scheduled for **(but are not yet finalized)**:
  - o 3-4 practice days/week; Varsity
    - M W Th: 2:45 pm-4:00 pm
  - o 2-3 practice days/week; Junior Varsity
    - T: 4:00 pm-5:30 pm
    - F: 2:30 pm-4:00 pm

\*Practice Times will be finalized over the summer and will be sent out as soon as they're confirmed with the Athletic Department. Practice times are contingent on availability and possible teams.

- Attend 1 team Pom technique class after school/ practice hours \*\*Specifics to be given upon making the team. Ideally this class would take place at the school and the teacher would come to Casteel. Still working out details.\*\*
- Sign up for Strength Camp (2 days in class, 1 day after school, more detailed information to follow).
- Maintain a positive attitude, strong work ethic, disciplined practice environment, maintain appropriate grades, and improvement on a daily basis.

It is highly recommended to attend a jazz technique or another Pom class at a local studio in addition to the team's practice schedule.

## Financial Agreement:

Casteel Spiritline will require members to have warm up jacket, backpack, poms, practice wear, bow(s), and 1-2 pair of shoes. Total expenses will be determined after tryouts; however, clothing/equipment costs are estimated at about \$500 per girl. Returning Pommies may have a cheaper fee due to reusing practice wear. Spiritline will be expected to travel to the USA Summer Camp July 12-15, 2019 (estimated to be about \$450, lunch/dinner included). Tax credit donations may be used for camp costs.

If qualified, we will be traveling to USA Nationals (Feb. 14- 17), the cost is estimated to be around \$1200/girl. Choreography fees, competitions, and travel fees are to be determined.

The financial commitment can seem overwhelming. All consideration is given to the cost of each required item, and costs will be kept to a minimum wherever possible. Due to tryouts being so close to the end of the school year, all fees for camp and clothing will need to be paid by WEDNESDAY, MAY 29<sup>th</sup>, 2019. Upon making the team you will receive an email with the final totals and options for reusing practice wear (if that applies to you). Your payment will confirm your acceptance on the team.

Casteel Spiritline will work to fundraise to offset the cost for Nationals and other competitions; however, it is not guaranteed to cover everything. By signing the tryout application you agree to the financial requirements of the team.

Additional tryouts will be held in July/August for any freshman and students that have moved in from out of district. 1. Must submit completed application and constitution with parent signature for permission to tryout.
2. Must show all required paper work and must be turned into athletic office prior to tryouts. A student athlete will receive a clearance card that must be given to the coach prior to tryouts. If student is not cleared prior to tryouts, they will be required to sit out and not participate.

## Selection process

1. All candidates must participate in tryouts.
2. All candidates will be judged on attributes, physical coordination, ability to learn, talent, attitude, and other criteria as determined prior to the workshop, judging, and selection process.
3. Judging will be handled in a professional manner. Coach will not discuss tryout selection or teams after the list is posted with students and/or parents (Unless a parent wants to discuss ONLY their daughter/son).
4. All score reviews and selection process is done by the coach.
5. **Along with scores, grades, attitudes, dedication, and commitment from the previous year WILL count towards selection for the following year.**
6. Participants will be informed if they have made a team 2 days after tryouts; however, participants may not know what team they have made until after the needs of the teams are determined by the coach, which could be as late as August.

## Merits and Demerits

The quality of the team's appearance and success depends upon unified practices, commitment, and dedication. Spiritline teams will utilize a merit/demerit system in order to hold Cheerleaders and Pommies accountable for attendance, timeliness, and cohesion.

Spiritline members are allowed a total of **6 demerits**, beginning with the first practice.

Demerit counts from the 2018- 2019 year were as follows:

- Practices and Events = 1 demerit
- Games and Competitions = 2 demerits
- Being 10+ minutes late to a practice = ½ demerit
- If ½ of practice has been missed = 1 demerit
- Leaving 10+ minutes early from a practice = ½ demerit
- Being 5+ minutes late to a game or event= ½ demerit
- Leaving early from a game or event= ½ demerit
- Not dressed out (in planned attire) on time for practices, games, or events= ½ demerit
  - "on time" meaning at the start time of the practice, game, and/or event.
  - This includes clothing, hair, jewelry, shoes, etc.

Demerit numbers will be provided at the end of each quarter. Spiritline members can request to find out their total number of demerits at any time. It is the Spiritline Member's responsibility to check in throughout the quarter.

After more than 6 demerits, you will forfeit the privilege of being on our team and no refunds will be given. If it becomes necessary to suspend or remove a Cheerleader or Pommie, the parent or guardian will be notified. The coaches reserve the right to determine each case on an individual basis.

There may be some adjustments to the demerit policy which will be finalized in the Pom Handbook. This information will be clarified and gone over at the mandatory informational meeting in the fall.

## Absence Policy

- Spiritline practices and schedules are expected to be put first and made a priority.
- Absences include "excused" and "unexcused" absences (think of them like "sick/vacation days" at at job). Cheerleaders and Pommies are expected to be present at practices, games, and other Spiritline events. Sick and injured Pommies are required to be at every practice, as appropriate. Being absent from a contagious illness with a doctor's note may not be counted against the athlete. Coach will deem when a demerit is appropriate.
- Spiritline practices, games, events, and competitions cannot always be sacrificed for other Casteel sports and activities. There needs to be an equal balance. Schedule of additional sports or activities should be provided before each quarter. A meeting with parent, athlete, and coach may need to be scheduled to coordinate schedules.
- Extenuating circumstances and/or emergencies will be determined on a case-by-case basis.
- Tutoring, test make-ups, school events/activities should be utilized outside of practice times if possible.
- If a Spiritline member misses a part, or all, of practice, it is his/her responsibility to ask a teammate or a coach to find out what was missed. If missed and doesn't know the material in a minimum of two days prior to a performance, a Spiritline member may be asked to sit out during the performance.
- All Spiritline members on a competition squad are expected to be present every day 2 weeks prior to a competition. If a practice during this time-frame is missed, the athlete may be asked to not participate in the upcoming competition.

Excused absences may include illness with doctor's note, court, hospital, car accident, family emergency, surgery, funeral, injury, death in family. All other absences including work/ other commitments related absences are unexcused. Failure to notify coach in advance will result in unexcused absence.   - h. Being tardy to a game.

7. If a teacher contacts any of the coaches regarding behavior or tardies, the student will be required to run laps or will possibly be benched from game(s).

### **Injured Spiritline Members**

Injured athletes are still considered part of our team; therefore, they are required to attend all practices, games, and events as appropriate to watch, learn material, and support his/her team (unless health-care provider says otherwise). Absences will be counted as demerits. If injury restricts the Pommie from dancing, the athlete is excused to miss the studio technique practice only. ### **Practice Expectations**

1. Spiritline members are expected to be fully dressed out in required practice wear at all practices.
2. Refusal to comply with a coach's request or arguing with a coach will result in running laps and/or benching from a game.
3. Any negative comments to another teammate or coach will result in running laps and/or benching from a game. We are all members of a team and we will respect each other. Repetitive occurrences will result in removal from team.
4. Members should be ready to go at the start of practice time, not lingering in, chatting with others, still putting hair up, etc.
5. All hair must be completely pulled back and secured in an elastic band. Jewelry (including body piercings) must be out, and proper shoes must be on by the time practice begins.
6. Spandex shorts must be worn underneath shorts and skirts at all times.
