

Dear Parents and Prospective P15 Member,

5. **Along with scores, grades, attitudes, dedication, and commitment from the previous year WILL count towards selection for the following year.**
6. Participants will be informed if they have made the company 2 days after auditions.

Merits and Demerits

The quality of the company's appearance and success depends upon unified rehearsals, commitment, and dedication. The company will utilize a merit/demerit system in order to hold Dancers accountable for attendance, timeliness, and cohesion.

P15 members are allowed a total of **7 demerits**, beginning with the first day of class in the Fall. There may be scheduled events and/or activities per quarter in order to earn merits (additional community service, fitness challenge, etc.). These will be scheduled at the coaches' discretion, and athletes will be notified at least one week prior to activities/events that will earn a merit. This should not be counted on, as it is not guaranteed.

Demerit counts will be as follows:

Missing an After School Practice = 1 demerit

Missing an After School Hours Event, Game, Competition, Performance, Etc. = 2 demerits

Missing Assemblies = 2 demerits

Being 10+ min. late to class or rehearsal = ½ demerit

If ½ of class or rehearsal has been missed = 1 demerit

Leaving 10+ min. early from a rehearsal or class = ½ demerit

Being 5+ min. late to a performance or event = ½ demerit

Leaving early from a performance or event = ½ demerit

Missing a class period = ½ demerit

Missing a block day = 1 demerit

Not dressed out or in correct attire for rehearsal or class = ½ demerit

Not having correct performance attire = 1 demerit (could also result in removal from the dance)

Being unprepared to teach choreography = ½ demerit

2 warnings for excessive talking = 1 demerit

2 warnings for disrespectful/ disruptive behavior = 1 demerit

*Teacher has the ability to remove members from any performance or dance if necessary.

Demerit numbers will be provided at the end of each quarter. P15 members can request to find out their total number of demerits at any time. It is the Company Member's responsibility to check in throughout the quarter. Parents are also welcomed to ask and receive their child's demerits.

After more than 7 demerits, you will forfeit the privilege of being on our company and no refunds will be given. If it becomes necessary to suspend or remove a Dancer, the parent or guardian will be notified. The dance director reserves the right to determine each case on an individual basis.

Absence Policy

P15 classes, rehearsals and schedules are expected to be put first and made a priority.

- Absences include "excused" and "unexcused" absences. Dancers are expected to be present at rehearsals, performances, and other/ all P15 events. Sick and injured dancers are required to be at every practice, as appropriate. Being absent from a contagious illness with a doctor's note may not be counted against the dancer. Instructor will deem when a demerit is appropriate.
- P15 rehearsals, performances, and events cannot always be sacrificed for other sports and activities (such as studio dance). There needs to be an equal balance. Schedule of additional sports or activities should be

provided at the beginning of the season, or as soon as you receive them. A meeting with parent, dancer, and coach may need to be scheduled to coordinate schedules.

- Extenuating circumstances and/or emergencies will be determined on a case-by-case basis.
- Tutoring, test make-ups, school events/activities should be utilized outside of practice times if possible.
- If a P15 member misses a part, or all, of practice, it is his/her responsibility to ask a teammate or Sammons to find out what was missed. If missed and doesn't know the material in a minimum of 1 week prior to a performance, a Dancer may be asked to sit out during the performance.
- All P15 members competing are expected to be present every day 2 weeks prior to a competition. If a practice during this time frame is missed, the dancer may be asked to not participate in the upcoming competition. *Coach's discretion.

Season Commitment

1. Possible Summer Practices
2. Company Dance Class during the school day at Casteel
3. Designated football/ basketball games
4. All Assemblies
5. Casteel Dance Concerts and rehearsals
6. Possible Competitions
7. Weekly rehearsals
8. All related fundraiser events
9. P15 Dance Experience Trips (in and out of state)
10. P15 guest teachers and choreography

Expectations for Rehearsals/ Class Periods

Along with company class, dancers may be required to meet 1 day a week extra. (to be decided once the team is formed).

Students will be informed when they will be required to stay for the after school rehearsals.

Missing an outside of class rehearsal can result in removal from the routine. If the choreographer misses, the routine may be removed from the show line up.

If you walk out of a rehearsal you will be removed from that number.

If the choreographer feels that their piece is being hindered by a dancer(s) inability to pick up and maintain steps, and the instructor agrees, that student will be removed from the piece.

If a choreographer is not prepared to teach their piece it will be removed from the show line up.

It is the responsibility of dancers to practice dances outside of class time for memory if necessary. This includes over breaks.

The instructor will have the final say for choosing the dancers for any piece.

The choreographer will choose formations for their dance. The instructor can move dancers in a piece at anytime based on memory, ability, and effort. All choreographed moves and music are subject to change by the instructor without explanation, and these decisions will be final.

The instructor reserves the right to prohibit a member from performing if it appears they are not performance ready. Dancers are expected to be fully dressed out in required attire or may receive demerit as listed above.

Any negative comments to another member or teacher will result in warnings/ demerits. We are all members of a team and we will respect each other. Repetitive occurrences will result in removal from team.

Members should be ready to go at the start of practice time, not lingering in, chatting with others, still putting hair up, etc. All hair must be completely pulled back and secured in an elastic band. Big pieces of jewelry must be taken off. Dancers should have proper shoes if required and called for by the teacher.

Fundraising

All Booster Club fundraisers will be a group effort and will go in one Project 15 Dance Company pot. Each Dancer is encouraged to sell or work at each event. The more we raise together, the more that can be provided.

Grades

1. In order to establish a tradition of being a successful company, we need to stress the importance of student **before** dancer. Members of the program shall maintain a C average or higher. Falling below this average may result in removal from routines, performances, or the company.

2. Grade checks may take place at any time.

3. An F on a progress or report card will render the student ineligible for any performance taking place that week. The student will be able to do grade checks on Fridays to become eligible. If grade is not brought up by the following grade check, the student may be dismissed.

Injured Company Members

Injured dancers are still considered part of our team; therefore, they are required to attend all rehearsals, performance, and events as appropriate to watch, learn material, and support his/her company (unless health-care provider says otherwise). Absences will be counted as demerits. If injury restricts the member from dancing, the dancer is excused to miss only what is cleared through the instructor.

Removal

A P15 member may be dismissed from the team for the following reasons:

1. Not abiding by the requirements or disciplinary actions as listed in this constitution and P15 Handbook.
2. 7+ total demerits (or excessive excused absences).
3. Dancers are chosen based on ability and commitment. If a dancer fails to maintain skills or demonstrate commitment, he/she may be removed from the company.
4. Profanity in public, public display of affection at inappropriate levels, ditching school, or breaking school rules.
5. Any behavior or activity that is deemed inappropriate or embarrassing to yourself or to Casteel High School will result in possible dismissal from the company and mandatory substance abuse class and/or community service. This includes, but is not limited to, drinking, smoking, vaping, illegal activity and/or drug use, posting inappropriate pictures on the internet/social media, inappropriate social media posts, hazing, bullying, out-of-school suspension and outside of school arrests or trouble with the law. These rules are enforced for the entire school year including breaks, weekends and during summer.
6. P15 members are not allowed to participate in any outside competitive cheer organization during our season (tryout week through the final practice), or Casteel Cheer.
7. Consuming or possessing alcohol or illegal drugs is grounds for immediate removal from the company as well as school disciplinary action. Going anywhere with anyone without permission from the instructor during an off campus school related function is grounds for removal of the company.
8. Please be aware that your social media is also a representation of you and the school. Your posts should adhere to the standards of this contract.
9. ***A dismissed member must turn in their lock immediately (within one week). Dismissed members cannot receive "End of the Year" awards, or attend an End of Season Celebration.

Judges scoring sheets will not be available to students; however, judge’s comments/ feedback will be available upon request the week after auditions.

Being a Project 15 member one year in no way guarantees placement on the company for the following year. All members must go through the audition process in the spring. There may be exceptions for incoming students from other schools, districts, etc. who were unaware of the audition, but not guaranteed an audition. Company is a yearlong class and new members will not be accepted second semester. In addition to ability, each company member’s cooperation, effort, and attitude will be considered. Judges choose the company and decisions are final.

This constitution will be abided by and followed. In addition to this constitution, it is also understood that the Company Member will be held to the P15 Handbook and CUSD participant code of conduct.

Project 15 proudly represents Casteel High School as the Company Dance Company on campus. Members must not only have the desire and dedication to give their best effort during each practice and performance, but they must also serve as exemplary students in behavior and academic achievement. No student is required to be a member of this team, therefore; participation is considered a privilege and an honor. It is imperative that students and parent/ guardian understand the contract and rules.

My child and I have read the above Project 15 Dance Company constitution and we are aware of all rules and guidelines for the upcoming season.

I (parent) understand that my child cannot participate unless this constitution is agreed to and signed. Once a part of the team, you will receive the Project 15 Handbook.
