Space Utilization/Repurposing Committee

- Updated on the repurposing committee – Elite Performance Academy (currently at Central Christian Church) will be moving to Humphrey Elementary. The portables at Humphrey will be removed and replaced with a new building. Move should be complete for the 17/18 school year.

Character Education

- Site Council reviewed 12 different Character Ed programs and narrowed it down to their top 4 at our last meeting. The staff then reviewed the top 4 and decided on what they think will work best of for our site and the decision was to use Character Counts. Next year will be an introduction year since we are implementing two other programs at our school as well; Project Lead the Way and Write for the Beginning (Thinking Maps). Caryn has been trained in Character Counts so she will be training the staff. Caryn made need to look at attending additional training on some of the new components, but in the meantime she will get this started next school year.

AZ Merit

- Testing this year will all be done online. No more paper/pencil testing booklets. Our testing coordinators will be attending a meeting later this week to get more details on dates, but the testing window opens on March 28th. Parents will be notified as soon as possible once our dates have been finalized. Student attendance is critical.

Parent Survey

- Our annual parent survey has been sent out via Infinite Campus. It's an online survey and our goal is to have a 60% return. We will continue to send out the reminders and the survey link through Infinite Campus messenger. Survey closes on March 10th.

Student Survey

- Student surveys were reviewed by grade level. A couple of small changes will be made;
 - Changing the rating categories "Agree and Disagree" to "Yes and No"
 - Removing the Tribe agreement questions
- Survey will go out 4th quarter

Meeting adjourned at 3:30 p.m. Next meeting is Wednesday, April 12, 2017 at 3:00 p.m.
