

Meet your teacher

Mrs. Hendricsen

Honors ELA 7

Welcome to 7th grade! We have a very busy and exciting year in store for us in Honors ELA. I realize that teaching your child is a privilege as well as a tremendous responsibility. I will do my best to make sure that each student has a motivating, fun and safe learning experience both virtually as we begin our school year as well as transitioning back into our classroom.

I cannot do this alone- I will need your help. Please commit to be partners with me in your child's learning. Please help encourage your children at home by seeing that they have completed their assignments and are prepared for class each day. Each student will receive an agenda and I update my website almost daily to keep you aware of what we are learning in class each week!

We will be going over many procedures and policies on our first virtual day of school. Soon you will receive our Honors ELA7 syllabus which will highlight what to expect throughout the year.

My priority is to be a caring, supportive teacher with high expectations and the belief that every child is capable of achieving! I am happy to have your child in my class this year, and I look forward to working together to make this a successful and memorable year!

My EDUCATION

I am a proud graduate of Northern Arizona University! Go Lumberjacks!

I hold a Bachelor of Science in Speech Communication with a minor in English.

This will be my fourth year at ACP-O. I formerly taught ELA at Payne Jr. High
