Dear Students and Parents/Guardians:

Summer is rapidly ending and the beginning of the 2018/2019 school year is just around the corner. We are looking forward to another exciting school year.

One of our ongoing goals is to improve the level of communication between the school and parents. We strive to keep you informed of your child's progress and attendance. We also ask that you keep your phone number and address up to date in our offices so we can contact you when needed.

Una de nuestras metas es mejorar el proceso de comunicación entre la escuela y los padres.  
Se harán los esfuerzos necesarios para mantenerlo informado en el progreso y la asistencia de su hijo(a).  
El portal de padres es una parte importante de nuestra comunicación con usted.  
Llame a nuestra recepción a 480-812-7700 si necesita ayuda para inscribirse en el portal.  
También le pedimos que mantenga su número de teléfono y dirección actualizados en nuestras oficinas para poder tener contacto con usted.

**Enclosed with this letter is information you will need to get ready for school and important information regarding your schedule.** Please read all the material carefully; call the school if you have any questions. Remember that schedule corrections will only happen for legitimate reasons (computer errors, credits earned in summer school, and level change) during WOLF days July 11-13, 16, 2018. This will ensure that all students begin the school year in their proper classes on the first day of school. If you are unable to attend any of these days, students will be able to pick up their schedule in the days that follow.

**Attention Seniors:** Please take special note of the comments on senior credit checks. Make sure all necessary arrangements are in place to make graduation a reality. **(Final responsibility for meeting graduation requirements rests with the student.)** All seniors are encouraged to take six classes per semester; but you must enroll in periods 1-4. Seniors who are in need of an additional course for graduation should meet with a counselor and ask about alternative courses.

We wish you a successful and enjoyable year. Please remember to ask any staff member for help if you have a question or concern.

Sincerely,  
Larry Rother  
Principal

### **Schedule Corrections**

Complete schedule corrections by July 16<sup>th</sup>. Some may require parental permission. Corrections happen for the following reasons only:

1. A failure in a course necessitates repeating.
2. A credit is earned during summer school for a course on your schedule.
3. A course is needed immediately to meet graduation requirements.
4. Tryouts for athletics and/or performance classes.
5. Schedule is incomplete (i.e., less than six classes per semester).

## **Bus Information**

Information regarding bus routes, pick-up times and bus stops will be available in the Cafeteria during WOLF Days. Find your bus number at the bus information table before getting a student ID card.

## **Student ID**

**Students will need a current schedule to receive a student ID.** As it applies, a bus #, and/or activity card payment are also required before a student ID is printed. The [Usage and Parking Permit](#) forms are available at [www.cusd80.com/domain/1123](http://www.cusd80.com/domain/1123) and the [Student Handbook](#) at [www.cusd80.com/domain/5807](http://www.cusd80.com/domain/5807) . We invite you to bookmark this site for quick access to information about Chandler High School and the coming school year.

There is no charge for an ID during the first two weeks of school. Students are required to have their ID with them at all times and be prepared to show them to any school personnel upon request. IDs are necessary for textbook checkout. Replacement IDs are \$5.00 payable at the Bookstore.

**Parking Permits:** (must have a current schedule and all debts cleared with the Bookstore)

(Important Notice: the senior parking lot is closed for the 2018-19 school year due to construction. Seniors will still be able to purchase parking passes.)

Permits are available to purchase on a first come/first served basis. Students must pay any outstanding fees or textbooks before a permit form is accepted. No parking permits are available to freshmen. **Students and parents should note that Chandler High School is not responsible for theft or vandalism to any vehicles parked on the school lot or streets close to the school.** Students should lock their cars at all times. All cars parked on campus must have the parking permit displayed. Students need to park in the lot color and space number assigned. When applying for a parking permit the student must have their current school schedule, a valid Arizona driver's license, year of vehicle/plate number, insurance name/policy number/expiration date, and receipt of payment from the Bookstore.
