Share on [FlipGrid](#), [Padlet](#) or with your family at home:

A time when you faced a challenge but didn't give up, through self-determination or the support of your family or friends.

A time when you helped someone who was feeling discouraged to overcome a challenge.

Got rocks and paint?

Paint faces on rocks to create the characters in the story, or paint some new characters of your own! Take a picture of your rock art and share it on [Padlet!](#)

****ANSWER****

**Blow your mind QS
from April 13-17**

Throw the ball straight up!

Physical Education with Miss Contreras

TIME TO PLAY: Get a cup (paper or plastic). Using one hand, see how many times you can flip it and catch it flat in your palm. No cheating - you can't close your hand at all to catch it.

TALK ABOUT IT:

Challenge someone to list as many good things that have happened to them today as they can in one minute.

TIME TO MOVE: Find a step/box. Start with both feet behind it. Touch the top of the step/box with one foot then switch feet. Move your feet as fast as you can to see how many times you can touch the top of the box in 30 seconds. Make it harder by using a ball instead of a step/box. It will move, so you have to be more controlled with your feet.

SUPERHERO WORKOUTS

The Batman Kid's Workout

Avengers Endgame Workout

BLOW YOUR MIND: When is 99 more than 100?

FOOD FOR THOUGHT: Ripe cranberries will bounce like rubber balls! Hmm... that could make dinner interesting.

Technology with Mrs. Braaksma

This week I wanted to remind you of the many amazing opportunities you have on **Learning.com** and **Clever**.

- ❑ Step One: Login to Clever - You can find it on my [website](#).
- ❑ Step Two: Choose the Digital Literacy: Learning.com App (The **Code.org** application is also active for every student!)
- ❑ You will see a list of assignments on Learning.com for you.
 - ❑ Kinder-3rd: [CodeMonkey](#) - just click on "Let's Get Started: Challenges 0-5"
 - ❑ 2nd-6th: [Adaptive Keyboarding Practice](#)
 - ❑ 4th-6th: [Codesters](#) to learn Python
 - ❑ All K-6: Continue your [lessons](#)! Such great things to Learn about technology.

Just [email Mrs. Braaksma](#) with questions or comments. I'd love to hear from you on [Flipgrid](#) or [Padlet](#)! ❤️ Mrs. Braaksma

I wonder if you can name the *NEW 7 Wonders of the World?*

Before you click this [link](#), write down your answers.

Here's some things you can **WONDER** about or create.

Tell us on the Global Studies [Flipgrid](#) or [Padlet](#) to tell us how many you got correct. Share pictures if you've visited any any of these.

Can you build something that represents the one you'd like to see the most?

Which one of these [wonders makes a snake](#) when aligned with the [vernal equinox](#)?

Who can best explain or make a model of the vernal equinox?

Can you guess which one Mrs. Griffith and Mrs. Johnson have both seen?

Can guess which one Mrs. Braaksma has seen?

(Pictures of us in our younger days coming next week if you can guess correctly!)

Here's a great [song](#)
about our
"Wonder"ful world.

It's a classic!

KGAid for Nurses

A FUNDRAISER TO SUPPORT
OUR LOCAL MEDICAL STAFF

KGA family, let's come together to give back to the community! In an effort to celebrate and support our local medical staff for National Nurses Week, we will be collecting donations to provide lunch on Monday, May 4th. We will be collecting donations until Friday, April 17th. If you are able and willing to donate, please send your donations to our KGA PTO PayPal account at kgapto@gmail.com. Please be sure to write KGAid for Nurses in the memo line. We thank you for all you do!
