Aktivate now supports language translation in Spanish and French. Once you've created your account and are logged in you can switch the language by clicking on the globe drop down in the top right corner. This will translate the website into the language that you have selected.

The screenshot displays the 'Athlete Registration' page. In the top right corner, there is a language selection dropdown menu with a globe icon. A red arrow points to this menu, which is open and shows three options: 'English', 'Spanish', and 'French'. The page content includes a 'Welcome Kelli!' message, a 'What would you like to do?' sidebar with links like 'Start/Complete Registrations', 'Athlete Information', 'Store', 'Email', 'Messages', 'Transfers', 'Make a Donation', and 'View Athlete Documents'. There is also an 'Announcements' table with one entry for 'Aktivate Demo School' dated '10/21/2022'. A 'Parent Toolbox' section is visible on the right, along with the NCSA logo and a question 'Does your athlete want to compete in college?'. The footer contains the Aktivate logo and copyright information.
