

Riggs Robotics 2019-2020

3rd and 4th Grade

Riggs Fall Robotics Club

Mondays 3:10-4:30pm

July 29

August 5, 12, 19, 26

Sept 9, 16

\$25

*The club is limited to 24 students. Non-refundable payment will be due prior to starting. Please return this form to Ms. Kreutzbender (Computer Lab) or Mrs. Reininga (Media Center) by July 26th to receive details regarding registration and payment.

Participants will:

- Explore simple machines using the Lego WeDo system.
- Use mechanical engineering principals to build, test, drive and code with a robot they help construct.
- Learn how to co-operate and work as members of a team.
- Actively learn about Science, Technology, Engineering and Math.

Student's Name _____ Grade _____

Parent Name _____

Parent Email _____

Phone Number _____

Parent/Guardian Signature

Date

____ Yes, I would like to help with the Riggs Robotics Club.

*A lottery will occur if more than 24 students sign up per session.
