

August 4, 2020

Dear parents and guardians of Ms. Crooker's math students,

I welcome your students to math class for the 2020-2021 school year. I look forward to working with your student and you to ensure a successful year in math class.

I want to share some general information with you.

- This 5 minute slide show/video is my introduction, covers expectations in class, and the topics that will be covered in class.
<https://www.loom.com/share/5e64f9b4988b4a8091aba5975955a0f8> College Algebra
<https://www.loom.com/share/4d18186b46df4589823d2f96500efd06> Math Year 4
- Expectations are that students will behave online just as if they were in-person with the same kindness, courtesy and respect for others.
- We will use Google Classroom for instruction while we are meeting virtually. Steps to access Google Classroom are on my school webpage
<https://www.cusd80.com/Domain/972>
- While we meet virtually, a student will be considered "present" if they attend the live portion of the class on Google meet (the last 40 minutes) or if they complete the required assignment(s) before our next class meeting. Students will review the instructions for Google Meet our first day in class. Instructions are posted in Google Classroom.
- We are on a total block schedule this year. Each class will last about 2 hours. Odd 1, 3, 5 classes will meet on one day and even 2, 4, 6 classes will meet the next day. While we are virtual, everyone will have the same lunch time. The odd classes will meet the first day of school, then even classes will meet on Thursday, and odd classes will meet on Friday, and so on.

ONLINE SCHEDULE

0 Hour 6:30 – 7:20

H1/H2 7:25 – 9:22

H3/H4 9:33 – 11:25

LUNCH D* 11:31 – 12:06

H5/H6 12:17 – 2:14

- Infinite Campus reflects the classes your student is assigned to. The Google Classroom rosters may be inaccurate.

If you have questions throughout the year, please e-mail me crooker.carol@cusd80.com or call my classroom at (480) 812-7812.

Sincerely,
Carol Crooker
