

July 16, 2019

Dear Fabulous 5th Grader,

I'm so excited to welcome you into our 5th grade classroom community! My name is Molly Woodall and I'm overjoyed to be returning to Fulton for my second year. After graduating from ASU in 2003 (Go Devils!), I taught for eight years in 3rd and 4th grade. I had the pleasure of staying home for seven years and raising my two amazing boys, Porter (9) and Paxton (7). They'll be in 2<sup>nd</sup> and 4<sup>th</sup> grade at Fulton this year and love having their mama close by. My husband, Matt, is a Chandler firefighter and was Fulton's "Fire Pal" when the school first opened and he started up again last year. My boys love when he's on campus teaching fire safety. It's funny how life comes full circle sometimes!

A little about your new teacher...I was diagnosed with diabetes at the age of 10. I feel like having this disease has definitely made me stronger and I'm always up for any new challenge. I have never allowed my diabetes to define me. I love staying active and enjoy playing and watching sports, especially baseball and football. I'm a huge Cubbies fan because I was born and raised in a suburb of Chicago. Our favorite get-away is Prescott and we often escape the heat and enjoy the relaxed cabin life. I'm all about soaking in all the blessings that life has to offer!

5th grade is going to be a dynamic year filled with lots of fun, friendships and learning! My hope is that you're engaged every day and that I challenge you to strive for greatness in all you do. We are all world changers!!! I look forward to getting to know you and your parents!

If your parents have any questions at all or would like to volunteer in our classroom, I encourage them to call or email me. Meet the Teacher and Curriculum Night will be combined this year. It'll be on Thursday, July 18<sup>th</sup>. I hope to see you and your parents there. I'm counting down the days until the start of our year together!

Sincerely,

Mrs. Molly Woodall
