

COVID-19 adjustments to Rho Kappa Honor Cord Requirements

Due to the cancelation of cultural festivals, many restaurants no longer serving guests, the lack of volunteer opportunities, and cancellation of worship services, as we all try to prevent the spread of the Corona virus, we have an alternative way for you to earn the rest of your honor cord points for Rho Kappa.

All categories are now liquid.

You should have received your current point total from Mrs. Platt on the Remind this week.

To get graduation cords and be a member in good standing of Rho Kappa you must have **24** points by May 1.

You can fill in any points you still need by:

A) Submitting any hours that you have already completed using the google form or by emailing Mrs. Platt

<https://forms.gle/dGErUVmuvuuGFBX2A>
platt.danielle@CUSD80.com

If you are still able to volunteer or find approved restaurants that serve take out, by all means keep at it!
Get your points in the categories we set out at the beginning of the year.

B) Using the alternative points option below:

Alternative Points Option:

We would like to you to choose a country and help the rest of us learn about how that country is dealing with the impact of this disease.

Please sign up for a country using the QR code below (I would do a quick check online before I signed up for a country to make sure that country is publishing information so you can be successful):

Conduct research in the following areas:

- A) Current impact of COVID-19 in that country (statistics)
- B) Government action taken so far (how are they dealing with travel, borders, medical facilities, supplies, quarantine, shelter in place, etc.)
- C) Projected government action (economic impact, how long will any restrictions last, etc.)
- D) Are they working with other countries?
- E) Quote from a medical professional, patient, family of a victim, government official, etc.

Post your research on Instagram or Twitter.

(But do not post it on your story so we have time to see it and give you points)

You **MUST tag** our Rho Kappa accounts (we may request to follow you so we can see your post)

@rorhokappa2 (twitter)

@rorhokappa (instagram)

Each post needs to include the **name** of your country

Each **unique, accurate, and informative** post that meets one of the topics (A-E) above will earn you **one** honor cord point (in whatever category(ies) you need. You can do multiple posts about the same topic if/when information is updated.

Let's teach each other something Rho Kappa!

We want everyone to have the chance to earn cords. So we are being super flexible here.

Stay Safe.
