

Knights vs. SAMURAI

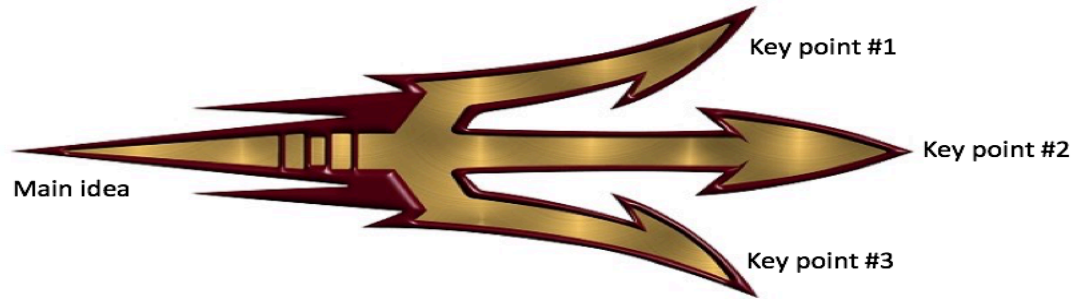

Are there more similarities or differences? Use Documents A-E to complete the venn diagram below. YOU MUST cite your source when you add something to the diagram (see the example):

Warriors who owed loyalty and military service to a lord in exchange for land (Doc A)

Are there more similarities or differences between knights and samurais?

Learning target: I can construct a claim using evidence

Quick check list for claims:

- My claim is a complete sentence (no “it” or “he/she” or “they”)
- My claim takes a position: It is clear to the reader that I have come to a conclusion about the topic and the rest of my essay would be the explanation of that conclusion
- My claim explains my position/opinion in an academic argument **with at least 3 key points**
- My claim is arguable it can be backed up with evidence, quotations, argumentation, expert opinion, statistics, and telling details from the sources I have to work with
