MESSAGE FROM MS. STEWART

Dear AJHS Families,

I hope this note continues to find you and your family safe and in good health. We know there have been several of our community members that have lost loved ones, lost jobs, and many who's limits have been stretched during this crisis. Our thoughts continue to be with you.

We've missed our students these past months. This is definitely not how I envisioned my first year as Principal to conclude, but I am grateful for our community. Our response was not perfect, but teachers and staff banded together to do our best to meet very unique needs in an extremely peculiar circumstance. I am proud of our teacher's commitment to provide some structure during this trying time. I am even more proud of our students. They continued to log in, pick up packets, connect with teachers, and work hard. We know this is a reflection of their amazing families.

To our 8th grade class, we wish you the absolute best! We missed seeing you at formal and saying good bye, but we know you will do great things in high school. Keep working hard, and please come visit when we reopen.

As the summer continues, I will be serving on the CUSD Re-Opening Task Force. This group will continue to look for safe ways to restart school and meet the various needs of our community. Your input will be vital to this process, and I welcome any thoughts, any time.

Our Curbside Meals will continue through June, and we are an email away if your family should need anything else. Again, thank you for your support and for sharing your children with us.

Stay safe,

 Ms. Stewart
