**No Early Exams:** Per district policy, there are no early exams and no exemptions are allowed for final exams. If a student is absent during the final exam, a grade of '0' will be entered for the final exam, and the semester grade calculated accordingly. The student must come to the office between June 5-22 to take their final exam. Once the final exam is complete and the teachers return to campus (in July), the teacher will grade the final and fill out a grade change form and return to the registrar. Students who know they will be missing any of the Final Exam days must have prior approval from Mr. Chandler's Office.
