All correspondence coursework requires prior permission—see your counselor

- Report cards each semester will be available on Infinite Campus

When should I check grades and how often?

- ❑ Even though your student is becoming an adult we strongly advise you check grades every Wednesday in the parent portal until graduation. Print out grades and high light concerns.
- ❑ Ask that your student confer with the teacher in person regarding any late material or missing material. *Remember we are teaching them how to catch a fish not preparing dinner for them.*
- ❑ By Friday if you still have concerns email the teacher and cc your student.
- ❑ Recommended repercussion is date night with parent Friday night! *Odds are it will only be one night!!*

Credit Recovery or Grade Replacement

- Summer School (Fee charged per semester.)
 - March— registration through counselors—online registration only, no paperwork
 - June-- courses
 - Bear Down Days-- email grade/transcript to counselor and request any schedule changes that may result

- Repeat course during the school year—for grade improvement no extra credit will be applied.

- CUSD on-line (\$180 per semester course.) We do not recommend this method. We prefer in person summer school.
