

CASH FOR CLASSROOMS

**FUNDING OUR
FUTURE!**

An Investment in Education is an Investment
in Our Future!

The 2022 #CashForClassrooms campaign
supports enrichment grants written by
teachers and principals across Chandler
Unified School District. The number of grants
funded depends on the amount of money
contributed during this campaign. With your
help, we will make a difference for the 44,000
students across CUSD.

This year, the Foundation's focus continues to
be on future readiness. We will prioritize
supporting innovative learning opportunities,
maintaining state-of-the-art libraries, and
equipping teachers with the tools to take
lessons to the next level.

We couldn't do this without you! Donate \$100
or more and receive a Chandler Education
Foundation State Forty Eight shirt. Check out
the new design! At the end of the campaign,
donors will receive an email with information
about how to order their shirt. Orders will be
delivered to CUSD sites.
