## **Alyssa Rosenberg** Editor-In-Chief

I joined newspaper at the beginning of my junior year, and it was the best decision I could have made. I learned valuable skills in journalism, design, and leadership, but also gained a group of people who share the same interests I do, not to mention Mrs. Rasmussen who is like a second mom.

## **Yushin Son** Entertainment Editor

Since joining newspaper in junior year it has been quite the experience. There are very few classes, or even clubs, that allow you to collaborate on the level this class does. Also, since the papers are all student ran and written, we can make work we are proud of. The class is like an extended family, and I will miss it. Thank you for the last two years.

## **Mara Benfield** Reporter

To be totally honest, I joined newspaper because I assumed it would be an easy class. Boy, did I have a big storm coming. In all seriousness, newspaper was a life changing experience. Not only did I learn how to write in a professional manner, I learned about deadlines and time management. Newspaper has arguably been one of the most stressful yet rewarding classes I've taken, I wouldn't have traded our little class for anything. And a big thank you to Mrs. R for all the kind words.

## **Daniel Rowe** Reporter

I joined newspaper to learn more about journalism. Journalism is something I would like to pursue in the future, and this was a great class to learn about it. This class was a lot of fun to be apart of, but more importantly, the people made the class fun. I will miss this class and the people after this year. Best of luck everyone going forward.

Mikey Keene was our starting quarterback his junior, and senior year for football. He led his team to two state championships, both as undefeated seasons. Mikey graduated from CHS in the winter and is currently at UCF preparing for next season.

Sarah Plant was a busy athlete here at Chandler. She participated in swim and track, competing in numerous events and competitions. She was voted most likely to win a gold medal by her fellow seniors.

# TEACHER WILLS

Everyone's path is different. The path will change. Life will beat you up. In spite of all that, find your passion and do that!  
- Mr. Cartagena (World History/Government)

*Carpe' Diem "Seize the Day"*  
Live everyday to the fullest and dream big and then make those dreams a reality!  
- Mr. Robison (Computer Science/Engineering)

Don't schedule your classes for early in the morning. You won't go and you will end up having to retake the class.  
- Erin Richards (World/US History)

Congratulations - you did it! You survived what has arguably been the most tumultuous year in the history of education. You persevered when times were tough and made it through to the other side. Keep the spirit of Chandler Ohana with you always as you navigate this next chapter in your lives - I have no doubt you will do amazing things. As Polonius said to Laertes, "To thine own self be true". Be you and be great!  
- Katie Kolacki (English 10/12)

I'll leave you with the three quotes that have guided me through many changes in my life.  
"Do the best you can until you know better. Then when you know better, do better." - Maya Angelou  
"Never underestimate the power of a small group of committed people to change the world. In fact, it is the only thing that ever has." - Margaret Mead  
"Sometimes the only sense you can make out of life is a sense of humor." - Anonymous  
That was my senior quote. Many years later, I still find it to be true.  
- Mrs. Nash (Biology)

Our year might have been cut short last year but take that forward with you. No one knows what tomorrow holds so make today count.  
- Mrs. Graybill (Algebra 2)

You have put in the time and effort during your CHS experience. Never forget your memories and always pursue your dreams. We are Chandler!  
- Michael Gray (Spanish/Student council)

"Go away! Read some books!" - Nacho Libre (2006)  
- Mr. Kagan Croswhite (College Algebra)

Learning doesn't stop just because the band is striking up "Pomp and Circumstance". Life will take some twists and turns, but you have the tools to persevere. Your education has prepared you to thrive in a rapidly changing world. "NEVER QUIT"  
- Lt. Colonel Jones (JROTC/Aerospace Science)

Dear Class of 2021,

Serving as your Principal was truly one of the highlights of my career. I can remember fondly welcoming you to CHS during your incoming freshman tours and again that first day of school when you weren't quite sure your way around campus yet. Since then you have grown into fine young adults. I have been so impressed over the years with your numerous accolades and most importantly the many things you've have done to positively impact those in our community. Your class, probably more so than any other in my career, has demonstrated the perseverance necessary to be successful in your future endeavors. I encourage you to find your passion, make the world a better place and never forget your roots..once a Wolf, always a Wolf! Congratulations CHS Class of 2021..GO WOLVES!

- Mr. Rother (CHS Principal 2013-2020)

Keep feeding your mind with new information and don't ever let anyone tell you you're not good enough at something. Reach for the stars because you control you.  
- Sasha Hunter (Strategies and Inclusion)

Class of 2021, you were my first group of students at CHS, and I am SO proud of you! You are all going to do incredible things in your lives. Believe in yourself and never give up on your dreams. I wish the best for all of you!  
- Ms. Tilly (Hon/English 9)

If you don't know where you are going you might end up somewhere else.  
- Walter G. Murray (Government and Economics)

"The only impossible journey is the one you never been"  
-Anthony Robbins; Take the risk and start on your own journey to success, best of luck on your future endeavors!  
- Lauren Perri (Environmental Science)

What a journey it has been! Four long years of hard work, adversity, triumph, failure and everything in between. You have seen that the world can be both a beautiful and scary place. The only thing that seems certain now is uncertainty. We can never truly know what the future holds for us. All we can do is to best prepare ourselves for success. But don't forget, life happens in the little moments on the way to the big ones. Be grateful each day for what you have and work hard for what you want. Take responsibility for yourself, fail forward, learn something new everyday and most important of all, enjoy your life. You have made it to the next big step. Now, go out there it give it your all!  
- Jeremy Poedel (Ceramics)

Chicos,  
Les deseo todo lo mejor y toda la suerte del mundo. Saben que pueden hacer cualquier cosa que ustedes se propongan en la vida; simplemente hay que "echarle ganas". Recuerden que lo fácil no vale la pena y que lo trabajoso es "duradero".  
¡Estoy bien orgullosa de todos ustedes! Que tengan mucho éxito chicos y no se olviden de la Sra. Campos. :)  
- Martha Campos (Herencia & AP Caminos Literarios)

Soon you will be leaving C-Town, and embracing the 3 C's of life: choice, chance, change. A famous anonymous quote states: "You must make the choice, to take the chance, if you want anything in life to change." Take risks but always think how it affects others.  
- Ms. Kilanowski (Science)

May you always believe in yourself and follow your hearts desire. May you continue to question conformity, understand more, judge less, and make new friends. Have faith, fall in love, be good to yourselves and know that you overcame adversity! You are stronger than you know - Be proud of yourself - You Did It!!!  
Congratulations Class of 2021!!  
- Mechael Ferguson (Registrar's Office)

Don't look at what you're going through as a setback, it's really a setup for you to show out in your life. Eagles are the only birds that fly through the storms! Understand that the storms didn't come to stay, they come to pass. On the other side of your storm comes greatness, unless you give up. Be the ones who continued to get better during the pandemic, be the ones who came out of it better than when we went into it. Be the rose that grew from the crack in the concrete when no one else ever cared.  
Believe (YOU) me, YOU WILL WIN!  
- Russell Scott (Exceptional Student Strategies)

After 40 years of teaching one thing I have learned is to always look on the positive side of life. There will be ups and downs in life just remember to keep a positive attitude you will be so much happier in life. Good luck to all of the graduating class of 2021!!  
- Mark Hinton (Yearbook/IB Film)

You don't have to have it all figured out to move forward.  
- Mr. Donnelly (English 12)

Best wishes for bright tomorrows.  
- Ms. Sheridan (English)

Best of luck Seniors! Make a positive contribution and do your part to make this country and world a better place. Don't be afraid to fail. Work hard and play hard! Best wishes.  
-Mr. Lorgan (American History)

GOOD things come to those who BELIEVE, BETTER things come to those who WAIT...and the BEST things come to those who DON'T GIVE UP. Keep striving to be the best YOU can be!  
- Crystal Lipinski (Counselor)

Keep your head up and don't let anything get in your way or stop you from what your goals are.  
- Mike Ellsworth (Spanish)

Class of 2021! You are writing history-- make it a good story!  
- Nicole Gould (English)

The key to living a joyful life is authenticity. Be you. Be authentic. That is enough. You are enough.  
- Dr. Foerst (French/Spanish)

Be kind. Always. You made it! Congratulations and good luck. Remember to be humble and kind. Always.  
- Ann Templeton (Admin)

HAPPY GRADUATION!  
May - 2021

Class of 20-21 will go down in HISTORY!  
Do not be afraid to love these days. Take them gently and with consideration for eternity, but take them as your own. Have patience with your dreams and the expectations that others have for you. But do not defer all hope to the future for there are only so many tomorrows. As you leave through the gates that turn school days into memories, Remember the promises you made to yourself in youth when hope was new and continue to nurture such possibilities through time. Strive for excellence in all things but do so in the simple pursuit of happiness and do not forget the loveliness that exists in the world beyond yourself. Take pride in your accomplishments both today and in the days to come. Follow your heart and the counsel of integrity. Above all, be kind. Go in love. May yours be a peaceful journey.  
-Ashley  
May God be with you always,  
Mrs. Darla Tate (AZ/US History/Psychology/AVID 11)

Congratulations class of 2021! Although the past year and half has been unpredictable and challenging, you have pushed through to achieve this milestone in your life; high school graduation. I am blessed to have worked with you and to have seen you grown into incredible adults. Keep pushing through life and be the best you can be. You got this!  
- Mrs. Klein (Algebra and Strategies)

While this has certainly been a year filled with uncertainty, I am convinced that the class of 2021 is the class that will begin to really change our society and move it toward equity, inclusion, and celebration of diversity. You can be the change!  
- Monica Balonado-Ruiz (English 12)

Seniors - we are all so very, very proud of you. My first piece of advice is to take life one day at a time, because if you spend all of your thoughts on the past or on what lies ahead, you won't be able to fully appreciate the people and experiences that are right in front of you. My second piece of advice is to also remember that you are the sole author and creator of your life. Every aspect of who you are - and the life you build from here on out - will be up to you to create and evolve and shape with each new decision (large and small alike). It is a magnificent responsibility, but you are up to the task. Remember that you are never alone. That you are loved. And you will be so very missed by all of us here at CHS. You've got this!!  
- Brandi Rasmussen (English/Newspaper)

My dear seniors:  
Matthew, Sarah, Justine, Jordyn, Hina, Mataya, Sophia, Cydney, Andrea, Darian, Sean and Juan, you have made me smile over the years and you all fill my heart with pride and I will truly miss all of you. I want to wish you the best in your future endeavors. May your light shine bright, be the change you want to see in the world. The world sees you and the world needs you. Congratulations, you did it!  
Je vous aime!  
- Madame B (French)

Gratitude is one of the most underrated virtues there is. When the road you are on is rough, you might have to look hard for things to be grateful for, but the attitude of gratitude will bring you joy.  
- Carol Gould (AP Gov)

You have achieved a great milestone today. Here's wishing you many more successes in the future. Good luck and congratulations!  
- Veronica Tess (AZ/US + World History)

Our life is shaped by our mind for we become what we think. Surrender to what is, let go of what was, and have faith in what will be. Congratulations Class of 2021!!  
- Sarah Hunter (HSHW Prevention Coach)

"Ends once looked horrible; they'd terrify my trembling heart. After years, I laugh about it. For now, it seems each end brought a better start." - Noor Unnahar  
Class of 2021, congratulations today and best wishes for all of your tomorrows!  
- Mrs. Harper (English 9/10)

You have lived through one of the most challenging times, and learned what is truly important. Live your life to the fullest, travel, appreciate the little things, and tell people how much you love them. You are going to do amazing things in this world, and I am so proud of you!  
- Mrs. Moxley (English)

You made it! Through 13 years of school. Through a pandemic. Through loss. Through grief. You. Made. It. Wishing you an easier road in the months ahead. Be present. Be grateful. Love much and often. Do amazing things. I'm rooting for you all! <3  
- Deb Mitchell (English)

To the class of 2021, I am so very proud of your resilience and ability to persevere through perhaps the most adverse time in our country's history. Remember, what you have done here in high school is a microcosm of life. The success and resilience that you have had here will allow you to persevere through anything in your post high school lives. Go and be great, and join the more than 100 years of Chandler High graduates who have contributed greatly to our society.  
- Mr. Franklin (CHS Principal 2020- )

This Senior Class has GRIT!  
Your clear goal of graduating has led to many success that you will experience now as well as later in life. You accomplished what you came to do when you walked in four years ago. A promise made..a promise kept (#ParraClass21!)  
- Carlos Parra (English 12)

I know that you will use the hardships and reflections from this difficult time to make the world a better place and to be productive in the next stage of your life!  
- Sra. Wyffels (Spanish)

"That which we are, we are;  
One equal temper of heroic hearts,  
Made weak by time and fate, but strong in will  
To strive, to seek, to find, and not to yield." -Tennyson  
- Corey MacGorman (AP English Lit)

Class of 2021 is a very dear class to me. I had them as freshman and oh boy! They truly made me grow as a teacher. This year, things came full circle and I was blessed to have them again as seniors. It is an amazing experience to see them grow up and become their own individuals. Good luck Seniors! I look forward to seeing everything you will accomplish.  
- Ms. Hubbell (English 12)

I wish you the best on your next adventure! As you take on adulthood and spread your wings, know that you ARE ready and you CAN do it. Trust yourself and aim high!  
- Christine Milczarek (College and Career specialist)

Congratulations to my senior students and all CHS seniors! I hope that after you leave the buildings of CHS, that you continue to learn every day. You may feel like you are finally done with school, but your informal education will continue on!
