Peyton, we are so proud of you. Your creative, compassionate, and sweet spirit inspires and impresses us each day. We can't wait to see what the future holds. We love you, Mom, Dad, Chris, and Nicole

### TIPS for creating a great ad:

- Your photos will look and fit better if your photo is the same orientation as the picture box. (Horizontal vs. vertical orientation.)
- Use clear, high-resolution photos. If your photo is blurry, it will be blurry in your ad.
- Create the ad around your student and write a personal message that will be meaningful.
- Use the cropping tools on the website to crop out unnecessary background and focus on your student.
