

ELL Stage IV: Grades 6-8

Language Strand

- The Language Strand is comprised of the grammar and vocabulary skills that ELLs need to acquire at each proficiency level.
- The Language Strand will drive the instruction in grammar and vocabulary. The time allocations of the SEI models, created by the Arizona ELL Task Force, reflect this instruction.
- The Standard English Conventions standard focuses on acquiring the knowledge of the grammatical structures of the English language.
- The vocabulary standard focuses on acquiring general, academic, and content vocabulary, while understanding word relationships and pragmatics.
- The Listening and Speaking, Reading, and Writing Domains provide performance indicators for the application of the grammar and vocabulary skills.
